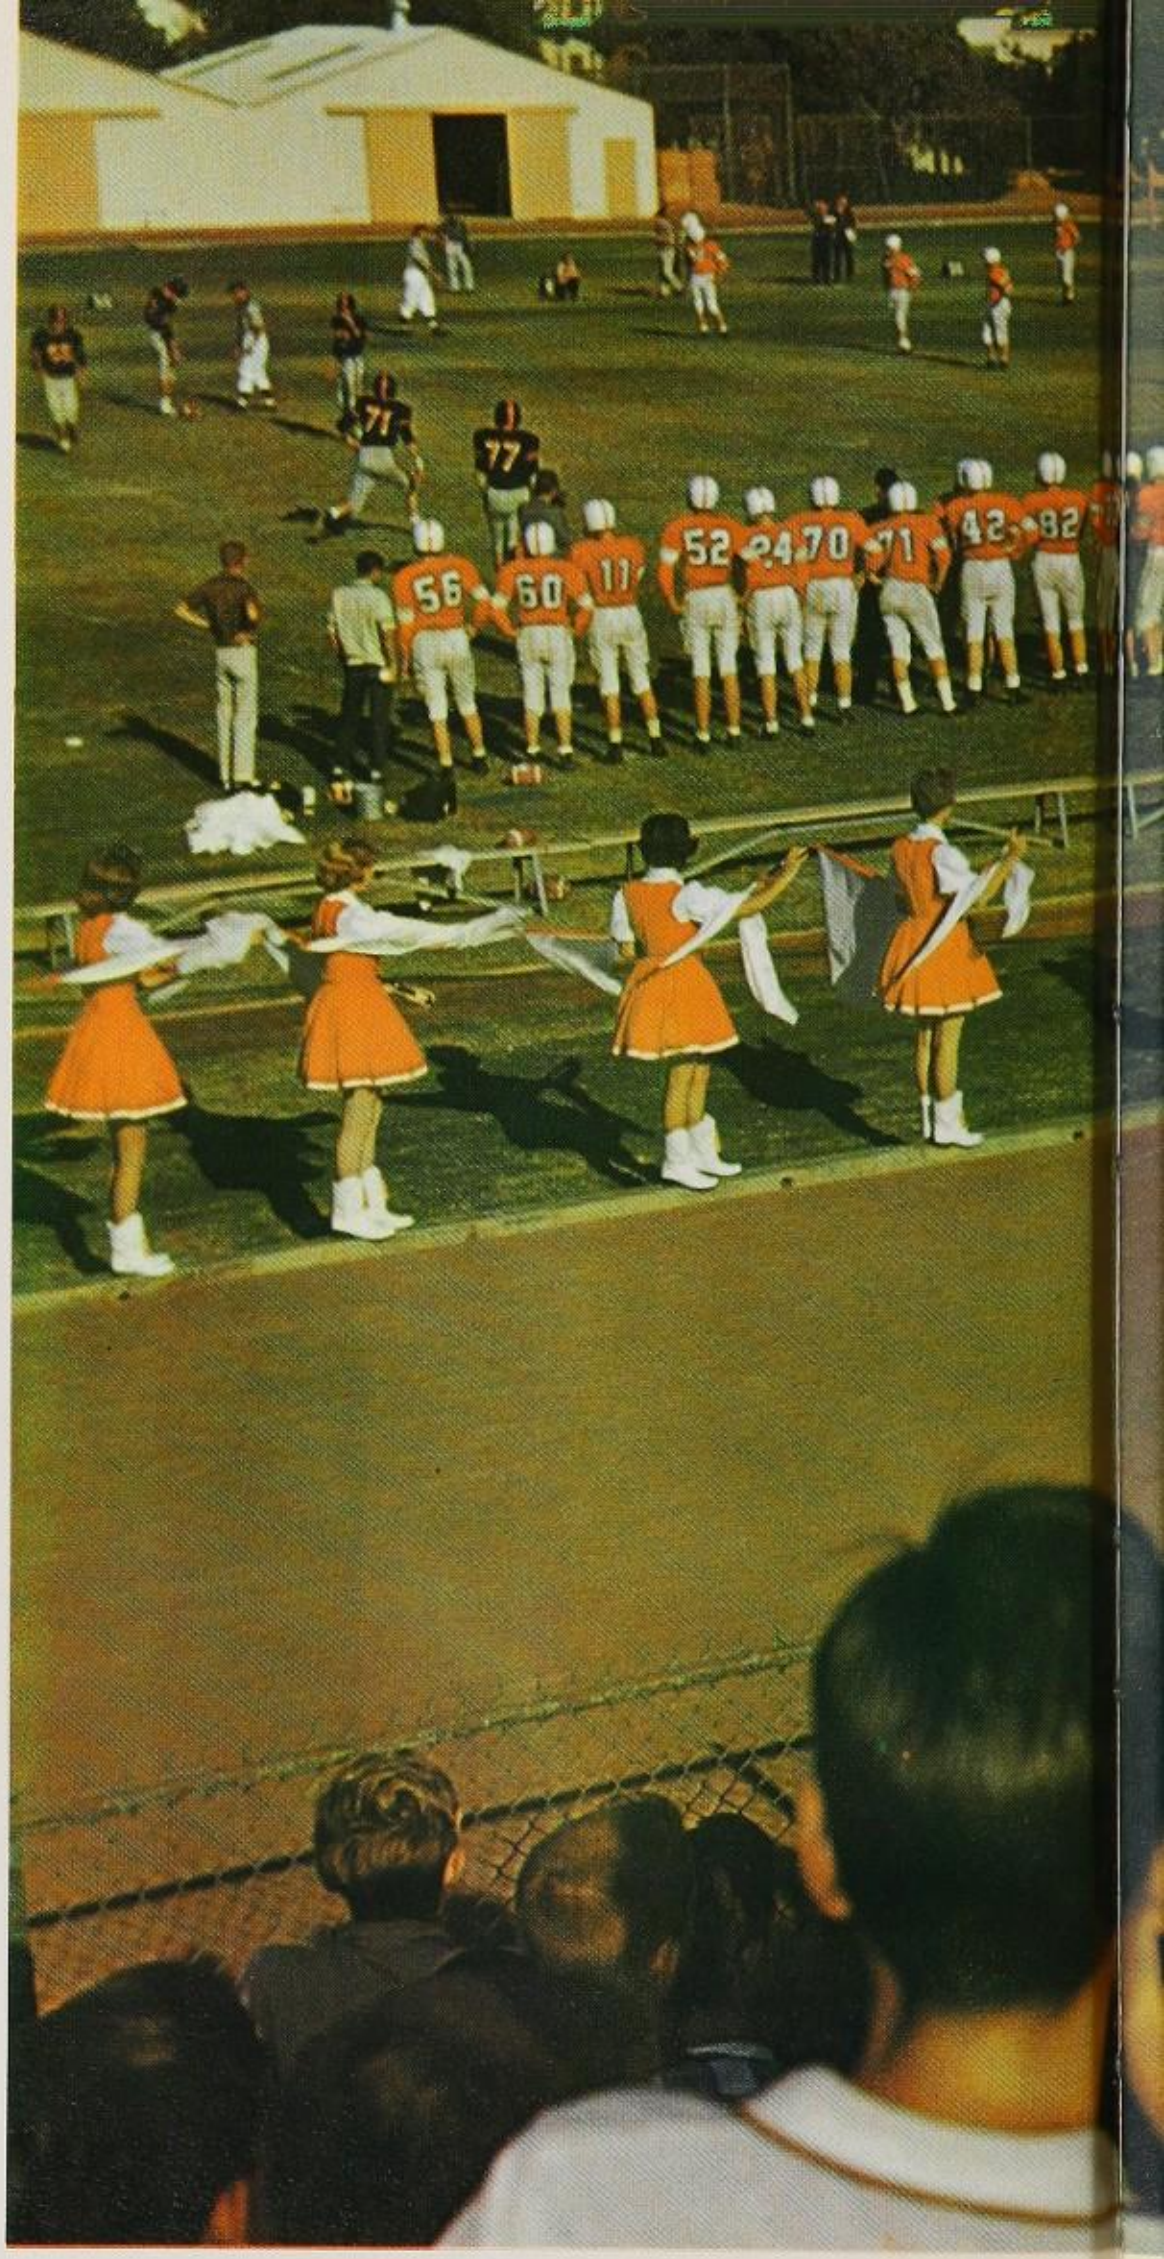
Why Beverly is the greatest....

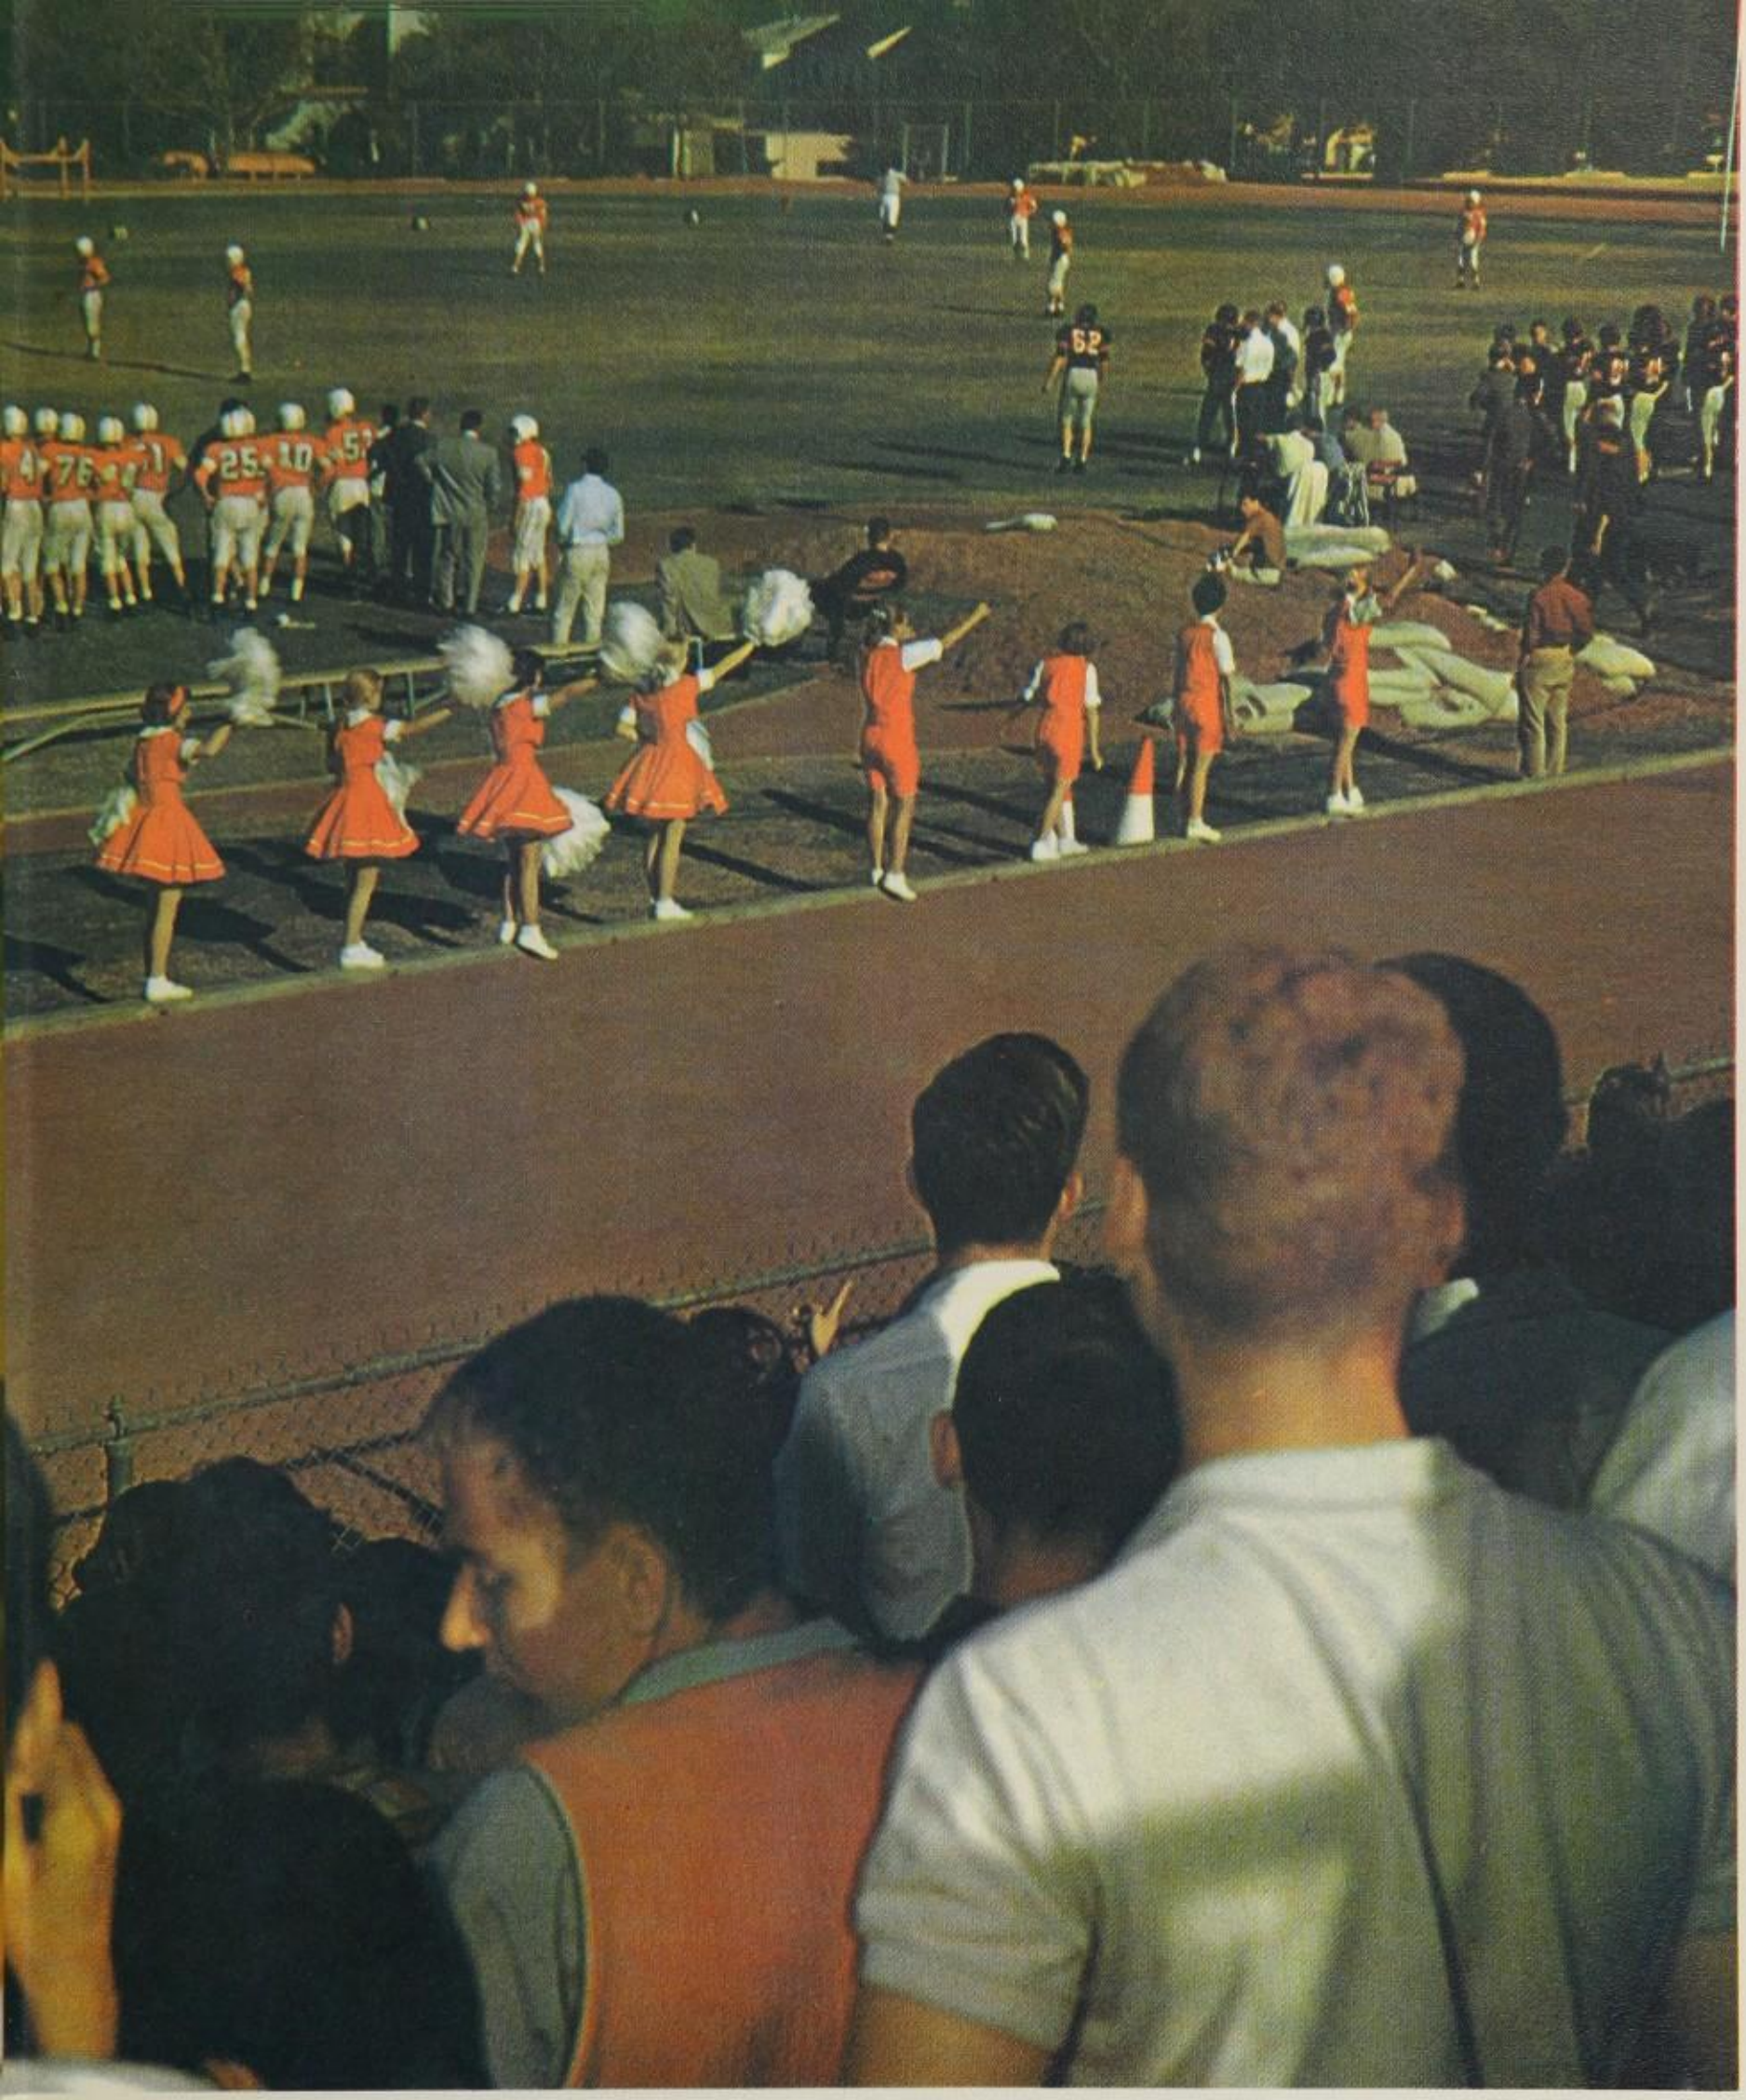
WATCHTOWER - 1960

Volume XXXIII - Published by The Yearbook Staff
Beverly Hills High School - Beverly Hills, California

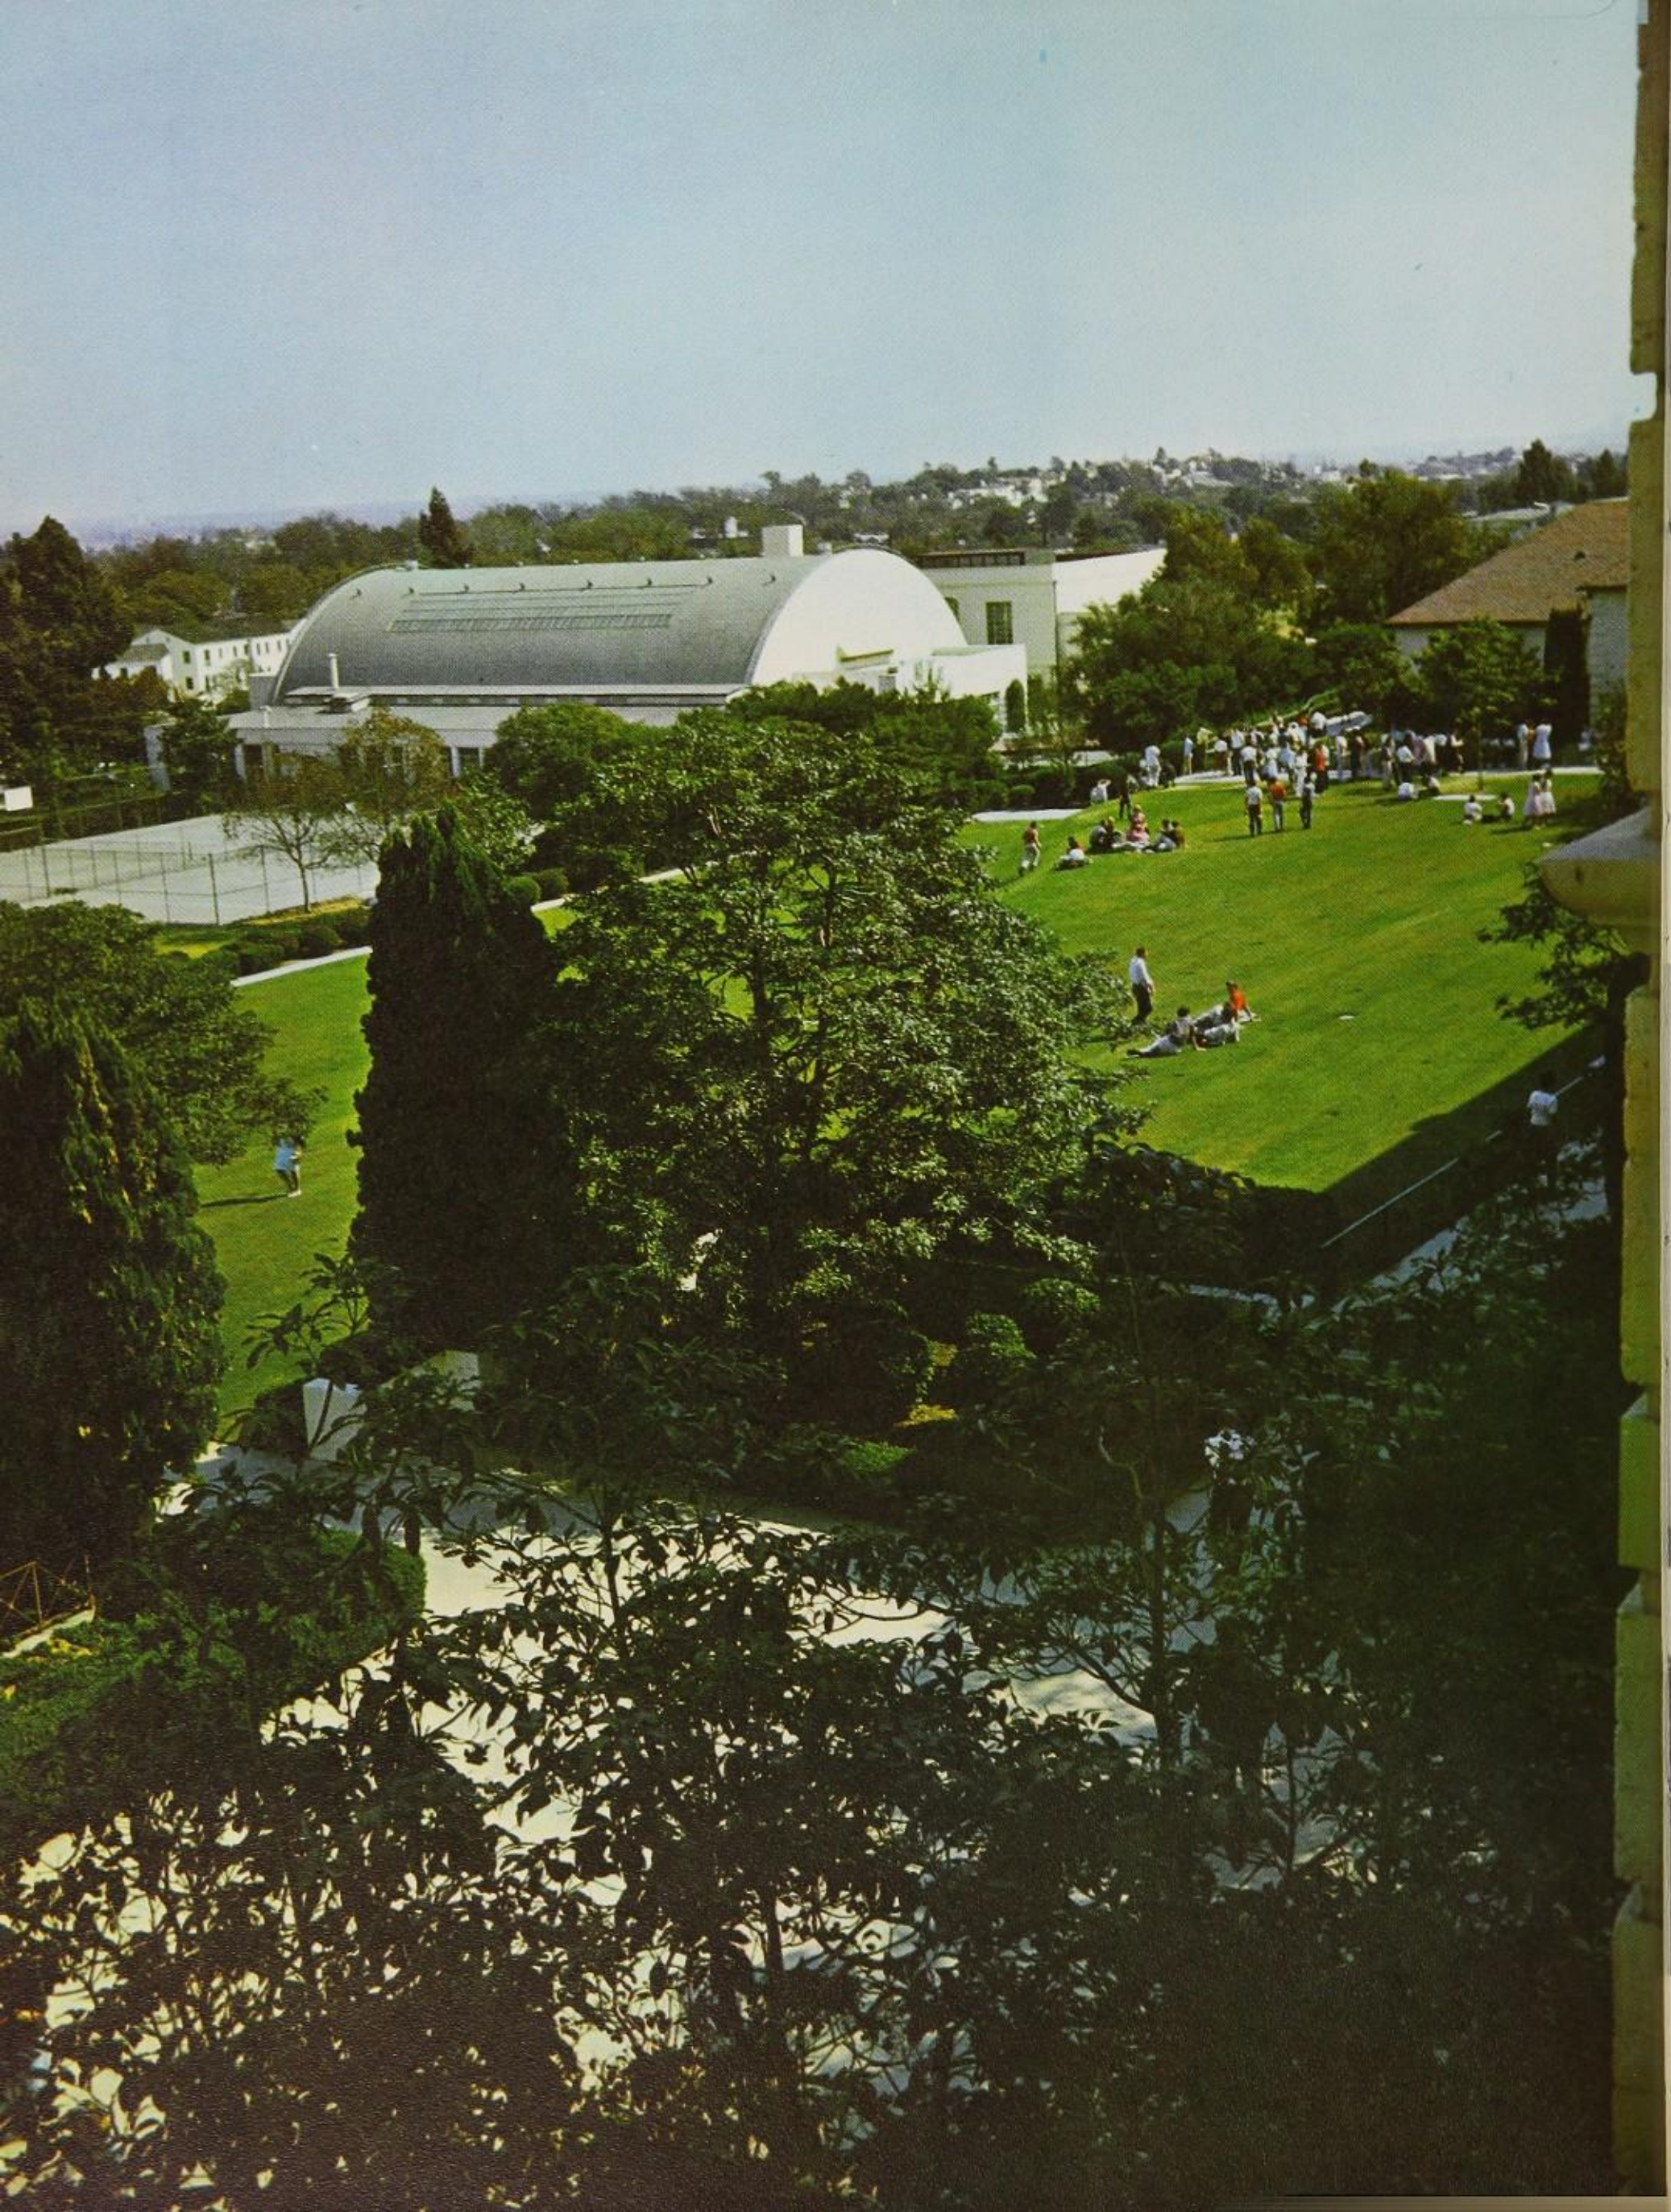


September 16, 1959, fifteen hundred and fifty enthusiastic Normans in two hundred and seventy-eight assorted cars arrived on campus scrambling in search of parking spaces, which were fewer this year because of the construction of the new Science Building. From their appearance it was obvious that "sacks" were gone, girls were back, and the crew cut boys had gone Ivy League. "Maverick" had captured these Normans' vote as the best TV program, Johnny Mathis had sung his way into their hearts, and Brigitte Bardot was their favorite screen star. This was the year Kookie was embellishing the English language, coffee houses had taken the place of drive-ins, and rock and roll still continued to outdo the "music of Mother's time."

He



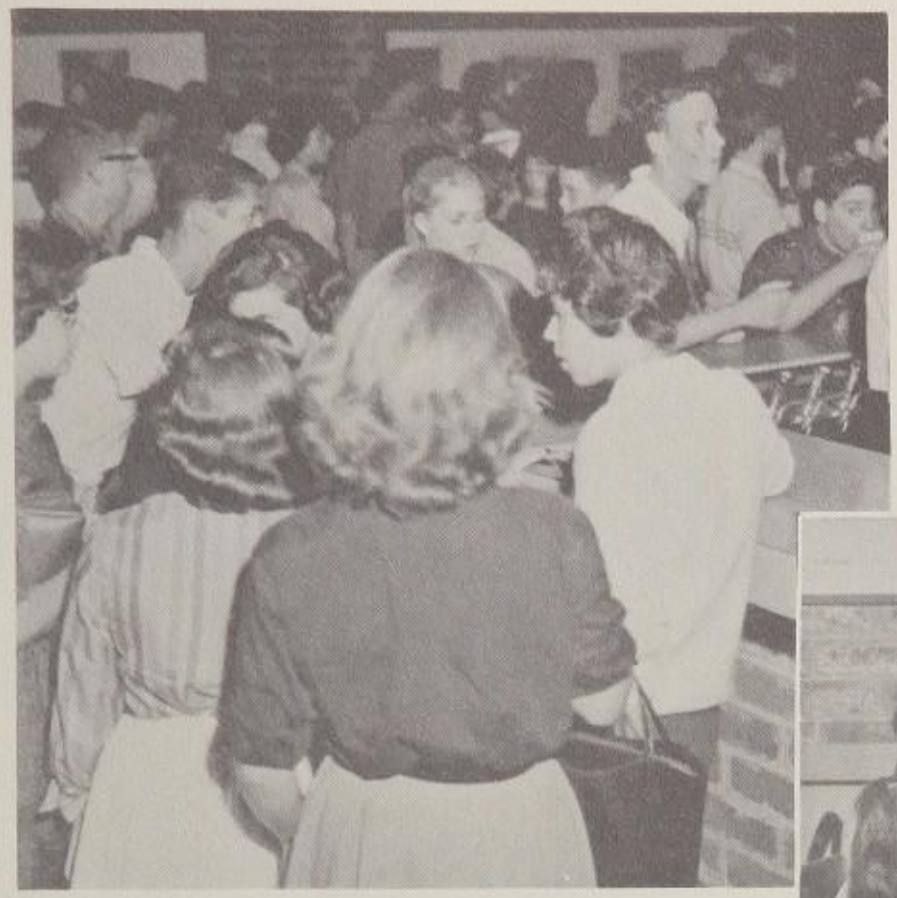
will tell you it's the Student Body . . . .

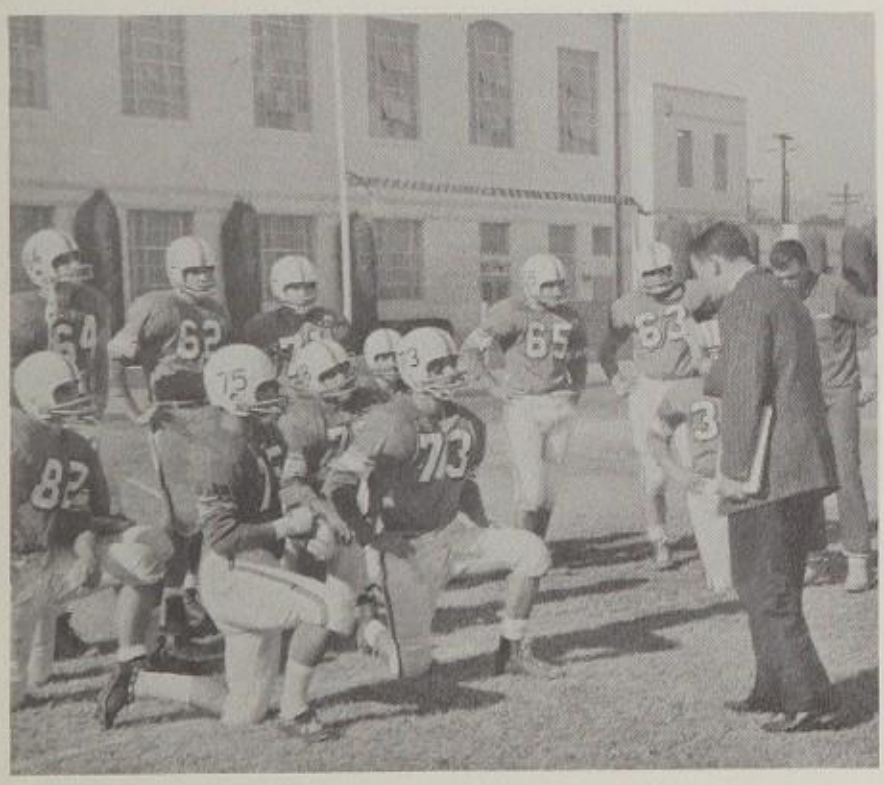


It's the Campus . . . .

The Norman Campus is a great investment in beauty and utility. The main building, which is of Norman Architectural design, opened its doors to the first students in 1927. Over the years the Shops, the Boys' and Girls' Gym, the Swim Gym, the Drivers Education, Business Education, and Science Buildings have been added. Beverly's Swim Gym is very unique in that a basketball court opens and closes over the pool. Also, the new Science Building is one of the best equipped and most modern buildings ever built.

It's the Activities . . . .





It is certainly not "all work and no play" at Beverly. Many extra - curricular activities are provided for Normans. School dances, sponsored by classes and organizations, are held in the Swim Gym, the Student Lounge, or the nearby luxury hotels. Club life is encouraged through faculty-sponsored campus groups. All students are urged to join a club which in some way contributes to their interests or needs. School plays, musicals, and talent assemblies provide an opportunity for those interested in music, dance, and drama. Most popular of all activities are student body and intramural sports.

Mrs. Adrienne Cross' class works in the Language Laboratory conducted by the Laboratory Assistant, Edwin Frankenbach.

Mr. Sparks instructs his class in study skills.

Ninety regular courses adhering to the fine standards traditional at Beverly are offered to Normans, carefully preparing them for college or careers following high school. In addition, a program has been set up for the academically able. Honor classes are offered in English, social studies, mathematics, chemistry, physics, Latin, Spanish, German, and French. Seminars, which comprise four groups of eighteen students each and one group at each grade level, provide another stimulus to intellectual growth. Summer school courses are designed to project the student's thinking beyond the high school level. An accelerated plan has been adopted to enable the more talented seniors to take university courses at UCLA in addition to their senior work.

Mrs. Markul supervises experiments in chemistry.

It's the Classes . . . .

Mrs. Robert and Mrs. Viau conduct a Senior Seminar in art.

It's the Faculty . . . .

After playing around with words like outstanding, distinguished, enthusiastic, and hard working to describe the eighty-four members of our teaching staff, we finally came up with a phrase that seems to best sum up what we want to say: "Our faculty has a sense of humor." If you will turn to pages 24 through 31 and look at the candid snapshots taken unannounced by our staff photographer, we believe you'll agree it is a group that seems to be happy in their work.

But most of all, it's the friendships . . . .

Administration

Kenneth L. Peters

SUPERINTENDENT OF SCHOOLS

Superintendent of Schools Kenneth L. Peters was principal of Beverly Hills High School from 1950 to 1959 and served as Assistant Superintendent of Schools for the last four years. Normans will remember his active interest in student body affairs, his enthusiastic support at athletic events, and his concern for maintaining the high educational standards of the school.

As Assistant Superintendent, Mr. Peters was in charge of the curriculum of the district. He made revisions and formulated courses of study from kindergarten through the 12th grade. In addition, he initiated the Foreign Language Laboratory at Beverly, started reading and study skills for the elementary and high schools, and was responsible for seminars for each grade level. At the same time, Mr. Peters represented Beverly Hills High School in the initiation of the UCLA program which enabled talented students to have the opportunity to take university courses. He originated an accelerated elementary plan in which a few eighth graders are selected to take algebra at the high school.

Among the professional organizations to which Mr. Peters has belonged are the California Association of Secondary School Administrators serving as first Vice-President, on the Executive Board of the National Association of Secondary School Principals, and a member of the College Entrance Examination Board.

In community affairs, Mr. Peters was President of the Beverly Hills Rotary Club, a member of the Red Cross Advisory Committee, and on the Board of Directors of the YMCA. Even though Mr. Peters is now across Moreno Drive, he still remains a tremendous part of Beverly High.

Beverly salutes an old friend....

ADMINISTRATORS, SCIENCE TEACHERS, AND MEMBERS OF THE SCHOOL BOARD look on as Mr. Horace Blackman and Mr. Kenneth L. Peters break ground for the new science building.

MEMBERS OF THE BOARD OF EDUCATION Mr. George Zucker, Mr. Champ Reese, Mrs. George Seaton, Mrs. Byron Thalheimer, President, Mr. Ernest Ach and Mr. Kenneth L. Peters, Superintendent, Mr. Walter O. Willey, Assistant Superintendent.

BOARD OF EDUCATION

The Beverly Hills Board of Education recognizes the paramount importance of health, citizenship, and character development. The Board desires that the program of education be such that it will challenge the best students as well as others to achieve the maximum of their individual capacity. It believes that all school activities should be evaluated in terms of their contribution to the individual. The Board also believes that the public school funds be administered wisely. The Board of Education wants the best school system that can be built—a system of education that is second best to no other in the country.

THE SCIENCE BUILDING takes form. It was completed in January.

Dr. Willard F. Robinson

And welcomes a new friend....

In one short year Dr. Willard Robinson has won the respect and warm friendship of the Student Body and Faculty. Coming to Beverly as Principal from the Los Angeles City School System, Dr. Robinson quickly established himself as a true Norman.

Interested in Beverly and its activities, Dr. Robinson could be seen rooting at all games and attending the social affairs, and his silent presence could often be felt in Student Court and Student Council sessions.

A man of varied interests, he was a Navy pilot in World War II; he has dug for archeological specimens in the Inca ruins of Peru; and he has set his mark as a hunter, having bagged the first deer of the season last fall.

In the jargon of the Navy, "We're glad to have you aboard, Sir."

DEAN OF BOYS

Mr. Steve T. Miletich works conscientiously every day as Dean of Boys. He assists and advises Beverly's boys not only as an official but also as a friend. Mr. Miletich is in charge of school attendance and keeps track of all student records. He also sponsors Boys' League Activities, Student Council, and the Student Court. Mr. Miletich deserves recognition by all Normans.

DEAN OF GIRLS

Mrs. Romaine Pauley, Beverly's Dean of Girls, is continuously giving of her time and energy to uphold the high standards for which Beverly is noted. In addition to her full schedule of advising and counseling the girls, Mrs. Pauley finds time to sponsor the Girls' League, Club Relations Board, and Student Council. Her services are a great asset to the high school program.

ADMINISTRATIVE ASSISTANT

Mr. H. John Marrow has well earned the title of Administrative Assistant. In this capacity he supervises the high school, student body, and athletic budgets. He acts as Director of Civil Defense and is in charge of the Student Store. Mr. Marrow also advises the Student Council and all phases of transportation in which he executed a terrific plan for the parking problem last year.

Assistant Principal Harry M. Alter

THE GUIDANCE DEPARTMENT

The doors of the Guidance Office are always open to students wishing advice on program changes or college information. Under the direction of Mr. Harry M. Alter, assistant principal, our Guidance Department serves as a contact between Beverly High and the universities and helps students apply for scholarships to these schools. A survey of all graduate students is taken, and a file based on this survey is kept in the office. This information is used to help determine the problems which each student has to face upon reaching the college level. Another service of the Guidance Office is aiding Normans in choosing the educational program which will direct them into professions for which they are best suited.

Each class has a counselor who remains with the class for two years. The counselor confers with the student at least once a year, as well as with student and parent once during the four years. All program changes are arranged through the student's counselor. Mr. Alter also acts as the summer school principal. He is in complete charge of the direction of the summer school program and does an excellent job each year.

SPECIAL SERVICES

Beverly High offers many services extended beyond the classroom to meet and benefit the special needs of the students. The Health Office takes care of the admission and exclusion of students who have been absent because of an illness. At some time during the student's four years, he is tested for vision and hearing. In order to participate in competitive sports, all Normans must have a physical examination.

Those students with speech and language impediments are aided by a Speech Therapist. There is also a Home Co-ordinator who represents the district in relationship between the home and the school.

Beverly has one of the best equipped high school libraries in the country. It contains over twenty thousand books, of which about one hundred and fifty are circulated each day.

MRS. RENA HUBBARD happily accompanies the choir.

FIGURES, FIGURES! Mrs. Marie Goetz, financial genius, balances the budget.

MRS. EVA SCHUGH is busy straightening and checking the the library books.

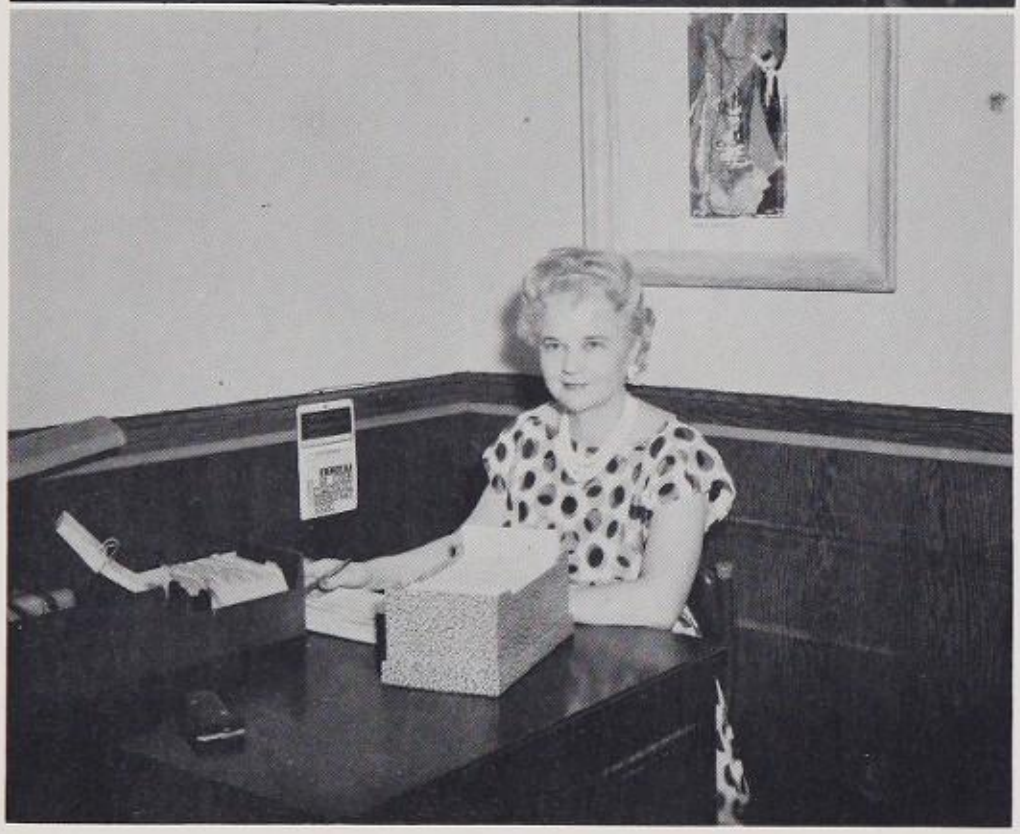
Mr. Norman Fjeldsted, affectionately called "Doc" by his students, is retiring this year after 15 years of devoted service in the science department. He entered Beverly in 1935 and became head of the department in 1947. During World War II, "Doc" Fjeldsted not only taught physics and chemistry at Beverly, but also drilled young pilots in aeronautics routine. "Doc," who likes young people, claims to get his biggest satisfaction out of seeing his students continue in their studies and attain great success in college. Several years ago he started a committee of advanced students for the purpose of devising ways to challenge gifted students. Diligently teaching all kinds of science courses "Doc" will be remembered for his warm and friendly personality long after the chemical symbols and the laboratory demonstrations have become dim memories. When asked for a quote, "Doc" replied, "I leave with no regrets, but with a sense of satisfaction in the feeling of things accomplished during the pleasant, happy hours in room 210."

Mrs. Virginia Atwood, secretary to the principal, also secures substitute teachers, types and mimeographs the final examinations for the Math and English Departments, and is custodian of the school keys.



Mrs. Marjory Thorpe, secretary to the Dean of Girls, also distributes the mail, makes up the daily bulletin, and checks tardies and absences for the Attendance Office.

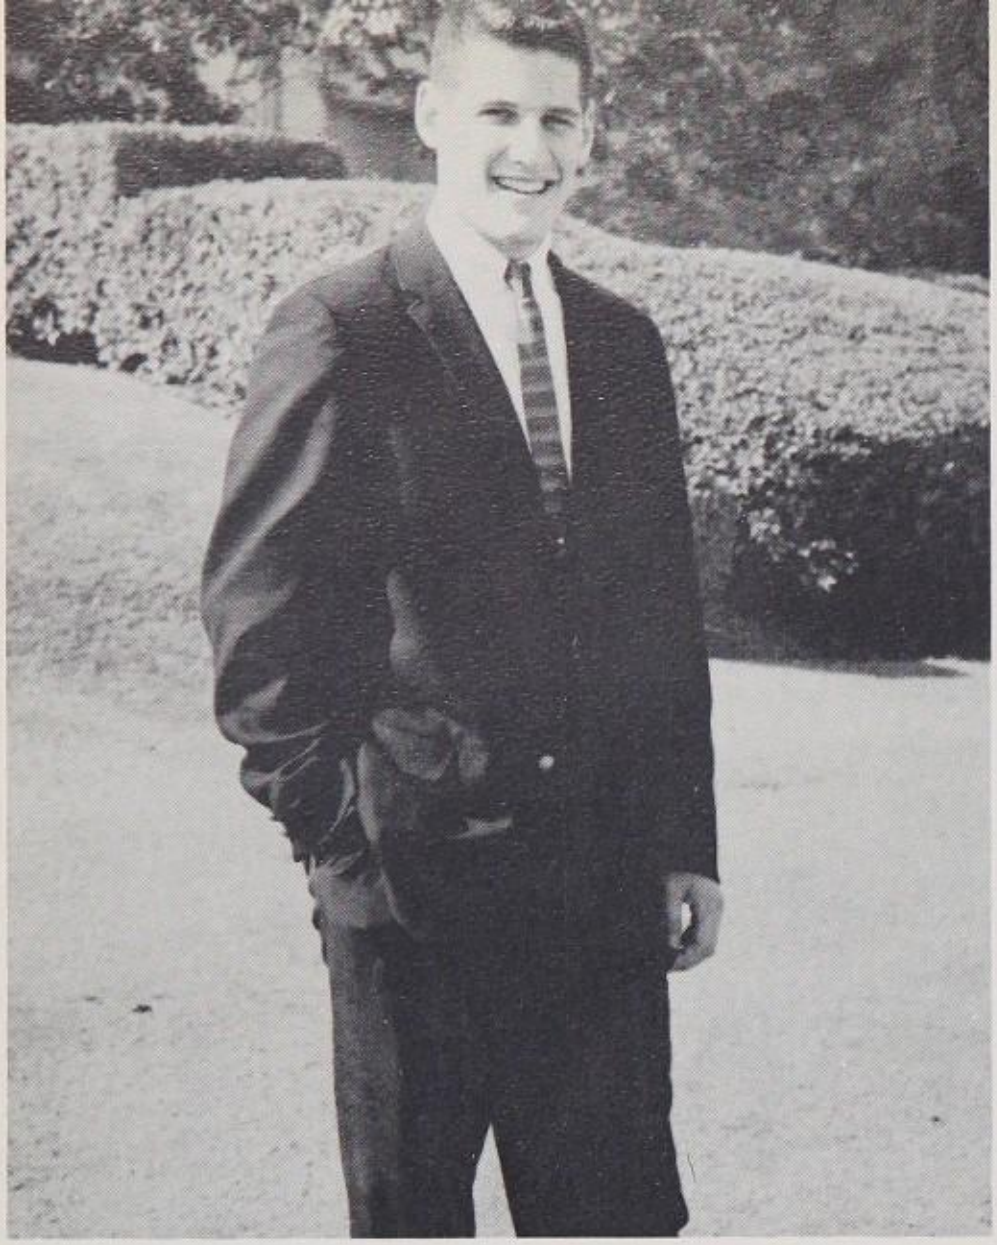
STUDENT BODY ACTIVITIES



Student Body President Ken Goldman

FALL SEMESTER

Responsible for leading the Associated Student Body during the first semester was President Ken Goldman. Under his guidance, Beverly's first Football Day was initiated late in October with the purpose of promoting intramural and inter-school spirit. Following an early dismissal, the Student Body met on Herreid Field, where a pre-game rally was held. A football game followed, and an informal dance was held at night in the Student Lounge.

Another tribute to the hard work put forth by Ken and his cabinet was a new aid to students in the form of a pocket size calendar for the fall semester. The calendar, which was available to all students at no charge, included not only a list of the events of the term but also the bell schedule for regular, assembly, and activity schedules.

This was the first year that Beverly was given the opportunity to participate in the American Field Service Exchange School Program, and Eric Valentine was able to spend the first half of his senior year in West Berlin.

Looking at Nancy Hirsch's well kept records, Normans could see the work that Student Body Vice President Lynne Miller put forth in making the buses to away football games a great success. Another proof of Lynne's efforts was the new high Student Body record of ninety-four percent in voter registration.

January brought Beverly's second jazz concert, featuring some of the top jazz artists in the country. The concert was one of the last social events of the fall season, and its success brought much credit to the leaders of the semester.

SPRING SEMESTER

Lynne Miller scored a first for Beverly in many ways during the spring semester. Becoming the first girl to join the ranks of Beverly's Student Body presidents, Lynne went on to lead the Normans in the successful Junior Welfare Fund Drive. Beverly students contributed more than $2100 to the school's first united charities drive.

Beverly's faculty went all out in its support of Sports Night by participating in a student-faculty basketball game and by enthusiastically leading the cheers. Working diligently on the event were the cabinet members, with games, food, and dancing adding much to the night's success. This year the spring musical, "The Hollywood Legend," was sponsored by the Student Body. All student council members contributed to the May production by selling tickets and publicizing the event.

Vice-president Mel Levine lent great support to all second semester efforts, including the rewriting of the Student Body Constitution. Also becoming Beverly firsts were the forming of a Student Cabinet, an advisory group of all commissioners, and the establishing of a Faculty-Student Board of Relations.

Commissioner of Records Peggy Millman took minutes at student council meetings and aided in all secretarial duties. Still another first during the second semester was Beverly's joining the California Association of Student Councils, consisting of University, Hamilton, Venice, Fairfax, Hollywood, and Westchester high schools. Becoming a member of this organization means that Beverly will now have a closer social and student government relationship with other local city schools.

GIRLS' LEAGUE

First semester activities, under the leadership of President Kay Liberman, began on Hello Day with an after school dance. The annual Halloween Witches Wienie Bake was held at Roxbury Park, and the Father-Daughter Banquet featured the entertainment of Frankie Laine and Johnny Greene. A fall semester highlight was the singing of the Albion Street Choir in the Thanksgiving assembly. The League conducted the Albion Street Christmas fund drive and doll contest, and cabinet members journeyed to the school to help the children celebrate.

Second semester President Vivian Schirn, along with her cabinet, gave punch parties for mid-year Freshman and Sophomore transfer students. They also presented panels for the girls of the four Beverly Hills grammar schools for the purpose of orienting them to high school life. In April seven delegates attended the convention of all the girls' leagues of California and Arizona. May brought Girls' League Day, during which an assembly, noon-time activities, and after school events were held.

Bob Watson, first semester president, and his hard working cabinet began the year's activities with their successful big and little brother program; and, along with the Girls' League, they sponsored the Hello Day events. At the fall football games, the League members sold popcorn and booster buttons. The cabinet members entertained at the Father-Daughter Banquet and traveled to Albion Street to assist with the children's Christmas party. They also directed the intra-mural sports program and put much work into the Norman Newsreel.

The second semester's cabinet, led by President Bob Wald, rewrote the League's Constitution reorganizing the cabinet. The League sponsored spring assembly featured the popular former coach, Mike Pecarovich. Syncro-Sound was introduced into the Norman Newsreel, and a job file was initiated to aid in procuring vacation and part time employment for enterprising members of the League. STUDENT COURT

A further step in self-government is Student Court, Beverly's disciplinary body. Court justices, Seniors and Juniors appointed by the Associated Student Body President at the beginning of the year, serve on the court until they graduate. Presiding as Chief Justice was Roy Rogosin. Mrs. Romaine H. Pauley and Mr. Steve Miletich, serving as girls' and boys' deans respectively, sponsored the court and referred cases to it. The court heard these cases involving student infraction of rules and decided the plaintiffs' guilt. The judiciary body determined the degree of punishment by assigning penalties based upon the recommendation of the Norman point system, according to the severity of the offense.

CLUB RELATIONS BOARD

Vice-presidents of all clubs and classes at Beverly are members of the Club Relations Board. Along with Faculty Advisor, Mrs. Romaine H. Pauley, they met to discuss and regulate their clubs' activities and also schedule times and places for class and club meetings. The first semester leader of the Board was Larry White, Commissioner of Organizations, and the Board was led during the second semester by Commissioner Judy Herwit.

WATCHTOWER

This year, Beverly's Watchtower team was led to victory by Editor-in-Chief Sue Alschuler, with the aid of Managing Editor Dick Guillen and Associate Editor Karen Kaswick. The goal was to recapture the school year in photographs and stories. Directed by Faculty Advisor Bryant M. Hale, the journalism and art staffs met in the library of the Drivers' Education Building.

Members of the journalism staff were Carol Marks, classes; Linda Somers, administration; Arlene Levy, student body activities; Bunni Stone, organizations; and Mike Raysson and John Byrnes, sports. Everyone was responsible for writing stories and scheduling pictures for his respective section; however, all staff members helped each other before deadlines. Art Editor Gary Priester and artists Dick Guillen, Richard Bohn, Janet Borde, and Tony Poze, designed the book and created the serigraphs and cartoons. Art Borack, head photographer, and Les Mayers took, developed, and printed the many pictures in the annual.

In January a successful sales campaign was launched by Business Manager Jerry Mariam. This year each purchaser of the yearbook was entitled to cast one vote for "Miss Watchtower" and the new "Mr. Watchtower." The April deadline kept staff noses hard to the typewriter and drawing board, and all members could be found striving to make this thirty-third edition the best in Beverly's history.

HIGHLIGHTS

The Highlights, Beverly's weekly newspaper, has been in print for over thirty years, in which time it has received numerous top honors, including Columbia University, Unversity of Minnesota, and Quill and Scroll journalism awards. The news sheet was produced by the staff composed of Seniors, assisted by Junior cubs. Under the direction of Mr. Raynolds Johnson, journalism instructor, and Technical Advisor Mr. Richard Jackson, the paper was put to press every Thursday after school and was circulated the next day during fifth period. Co-editors Joyce Winslow and Louie Rapoport led the staff during the first semester, and Marilyn Ellman and Gloria Goldstein, as second semester co-editors, were responsible for production of the spring issues.

All was not hard work for the Highlights' contributors. Their activities included field trips to Los Angeles newspaper plants and individual participation in Journalism Days at the local colleges. The most anticipated events of the year were the semi-annual Highlights Banquets at which the staff honors were awarded and new staff members and positions were announced.

AVANT GARDE

Avant Garde, Beverly's literary magazine, composed of student submitted entries, made its first appearance in June of 1959. This year's staff was led by Editor Barbara Hockler and her assistants, Joyce Winslow, Mary Baum, and Barry Roth, who strove to surpass the high quality of last year's magazine and add more variety and realism. Responsible for publicizing Avant Garde was Nancy Michelman, while the staff records were kept by Mary Corey. Harley Jackson contributed much to the edition, and Ed Scharlach handled financial matters. Bob Watson worked with Staff Photographer Steve Kern and Staff Artist Tony Poze in coordinating the two divisions.

The members of the staff were kept busy collecting and selecting creative contributions, including prose, poetry, art, photography, and informative essays. Avant Garde, sponsored by Mr. Diller and Mr. Johnson, initiated an open training program for potential writers, enabling them to learn by observation and practical application the work required in publishing a magazine.

FORENSIC SQUAD

The Forensic Squad, created to improve the speaking skills of interested Beverly students by providing experience in public oration and aid in individual speech problems, has in the past few years collected approximately 25 trophies, 50 gold medals, and 200 certificates. In addition, it has continued to achieve superior ratings at area, state, and national tournaments. This year's squad, sponsored by Mr. White, continued to gain distinction with the many awards and honors bestowed upon its members. Outstanding Beverly orators were Forensic President Steve Marmer, Joan Meisel, Sue Marrett, Jim Maass, Larry White, Andy Auster, and Elissa Landre.

The busy Forensic calendar listed the first significant events of the year as the Fall Novice and Fall Open Tournaments. Various members entered the State Qualifying Tournaments, held at Southern California and Redlands universities, and a few were able to participate in the National Qualifying District Tournament at U.C.L.A. Other members participated in Student Congresses, and the entire squad could be seen celebrating at their semi-annual banquets.

STAGE CREW

Under the direction of Mr. Bryant M. Hale, the stage crew was responsible for all settings used in the plays, talent shows, and assemblies. The outstanding contribution of this year's crew was the lavish sets, designed by Stage Manager Pete McCoy for the spring musical, "Hollywood Legend." Surely the Tahitian number, with its cascading waterfall, was one of the most breathtakingly beautiful scenes to ever be presented on the stage at Beverly. The spectacular lighting effects for the Terpsichoreans' recital will long be remembered. A grateful Student Body appreciated the work of this creative group behind the scenes.

Musical talents

ORCHESTRA AND BAND

Beverly's highly rated orchestra, directed by Mr. George Wright, gave its first performance before the Norman student body in the Christmas Assembly. It also presented concerts for the four Beverly Hills elementary schools during the year. The organization, with its difficult but well executed musical numbers, added much to the Spring Concert and also provided the accompaniment for the spring musical, "The Hollywood Legend." This year the orchestra entered the Southern California Orchestra and Band Festival at Burbank High and received another first place rating as it has every year since 1938.

Also directed by Mr. Wright was Beverly's Football Band which gave musical support to the rooting section throughout the games and also marched on the football field during halftimes to accompany the drill team. After grid season the band continued to provide music at dances, basketball games, and sports rallies. In November the group was invited to play for the Beverly Hills Police Review, and in December their musical rhythms added much spirit and enjoyment to the Pacific Shores and Beverly Hills Invitational Basketball Tournaments.

A CAPPELLA CHOIR

This year, as in the past twenty years, the A Cappella Choir received a superior rating in competition against the top choirs in Southern California at the Redlands Music Festival. Under the able direction of Mr. Glen Case, the eighty voices were heard at the Veterans Day Assembly. During the holiday season they sang for the Beverly Hills elementary schools, the Beverly Hills Community Presbyterian Church, and also performed in Beverly's Christmas Assembly. A new and different echo quartet added to the success of the program. One of the most enjoyable events of the second semester was the Spring Concert, presented by the Choir in conjunction with the orchestra. In their last appearance the Choir sang at the Baccalaureate Services for graduating Seniors.

CLASSES

No reward is as noble as Seniority . . . .

THE CLASS OF NINETEEN SIXTY

Donning the class colors of powder blue and white, the Seniors began their final year's activities by participating in the traditonal Senior Day events led by Class President Maury Schwartz. Easily distinguished by their paper mortar boards, the Seniors taught classes for the day. Athletic events between the Senior and Junior classes began during noon, with Seniors victorious in all four co-ed volleyball games, and continued after school with relays in the Swim Gym. The Senior team piled up a score of 90-10, making their class the first to ever win by such a wide margin.

The second semester brought a flurry of activities all led by Class Prexy Pete Olson and the hardworking Senior activities chairmen. Both students and faculty enjoyed the combined talents of the Seniors and Juniors in their March talent show, and its great success added much enjoyment to the second semester. On a May afternoon the Senior girls gathered with their mothers for the annual Senior Mothers' Tea. Appropriate attire for the coming Senior activities was modeled by class members and both generations had a fine time. An event which members of the Class of '60 will long remember was the June Ditch Day held at Ocean House. Class members congregated at the beach and spent a carefree school day in the sun, forgetting their worries about approaching finals and college choices.

June 10th was the date of the lavish and exotic Senior Prom held at the Ambassador Hotel. Formal dress, soft music, and moonlight lent much to the memory of the event. On the Sunday afternoon prior to graduation, Seniors and their families joined together in the Auditorium for Baccalaureate Services which were led by well-known religious leaders of various faiths. On graduation morning the Senior Class met for the traditional Senior Breakfast at the Cocoanut Grove. There, outstanding class members were honored, and the close intra-class relationship which had been growing during the past four years was evident.

At 4:30 in the afternoon on June 17th, families and friends of the graduating Seniors gathered on the front lawn to watch the beautiful commencement exercises. A few chosen Seniors gave speeches, and school officials congratulated the Class of '60 as diplomas were presented to the capped and gowned graduates.

No year to be so long remembered . . . .

In Memoriam

MRS. ELEANOR WELCH

Students, teachers, parents, and alumni of Beverly Hills High School feel a deep and irreplaceable loss in the death of Mrs. Eleanor Welch. She was a dedicated teacher, an enthusiastic sponsor of the Senior Class, and, perhaps most important, a loyal and sincere friend of all who knew her.

As a teacher she chose her field of social studies wisely, for she believed with intensity in a growing and vital democracy—in a dynamic program which encouraged the individual to discover for himself the personal integrity and responsibility so necessary for leadership and intelligent participation in our modern society.

As a sponsor of the Senior Class for many years, Mrs. Welch displayed an active interest in young adults—in their problems, in their joys, in their ambitions, in their successes. She was never too busy, never too tired to listen to the boy or girl who sought her understanding and advice; and in her decisions she was uncompromising in her concern for honesty and justice.

As a friend she possessed those qualities which we all search for in our personal relationships—loyalty, dependability, sympathy, and understanding. Of these attributes she was and will continue to be a symbol.

Immortality has many meanings for many people, but a part of Eleanor Welch will always live in the hearts of those who have known her.

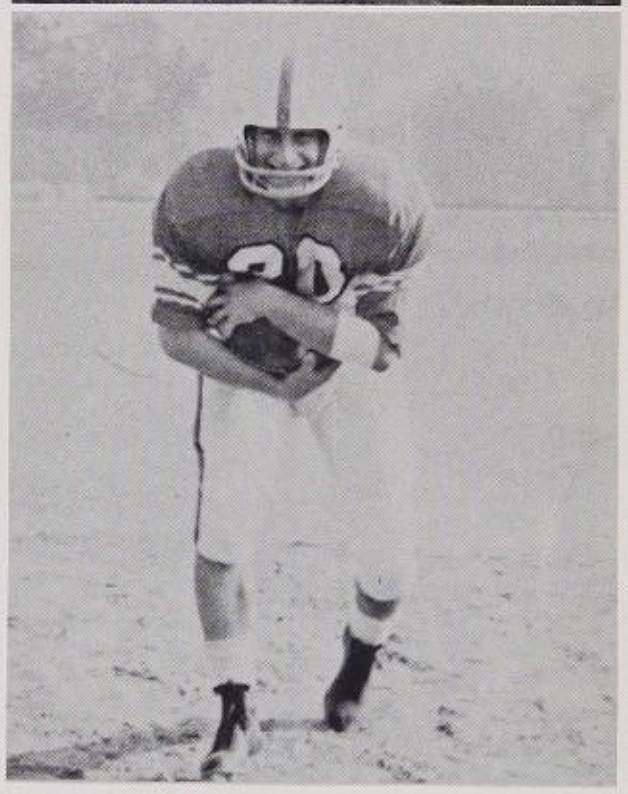
VARSITY FOOTBALL

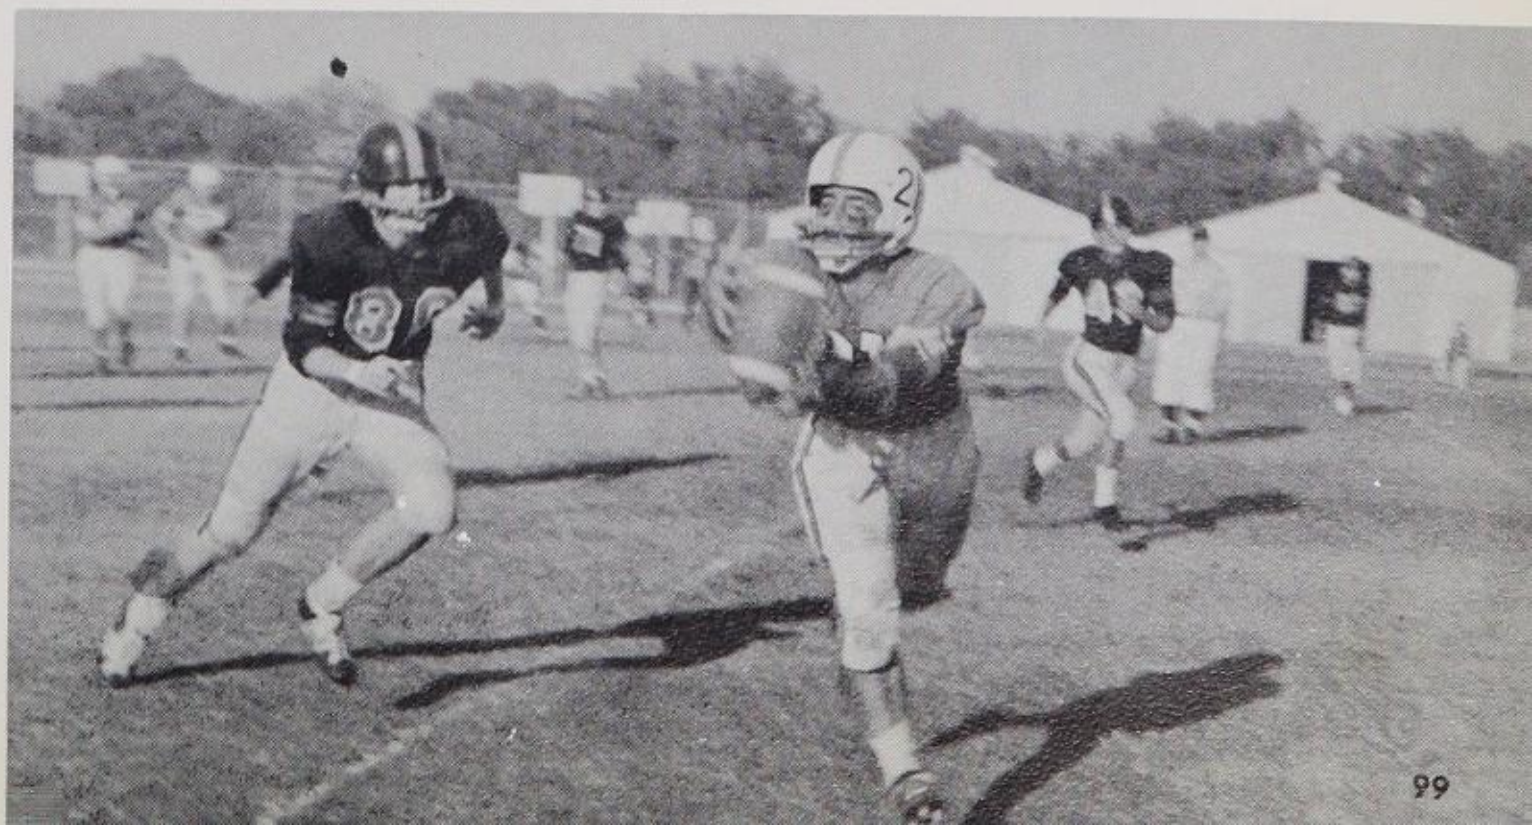
As the '59 grid season began, Beverly's Varsity football squad found itself with a large number of returning lettermen, but little else in the way of depth. That particular handicap went on to plague the Normans time and again—and, perhaps, can best explain Normandy's poor 1-win 7-loss record.

Bone-crushing fullback Mel Fay was the big gun offensively for Coach Joe Sabol's corps as he ground out 485 yards for the season and averaged over 60 yards per game. Quarterback Tom Welch also supplied a potent offensive punch, when on target, while Roger Rhoads, Beverly's other quarterback and team captain, helped the Normans greatly with his fine leadership. Defensively, Hank Freidman and Art Polacheck were particularly outstanding. Freidman, especially, had an exceptional individual record and definitely marked himself as an all-league candidate.

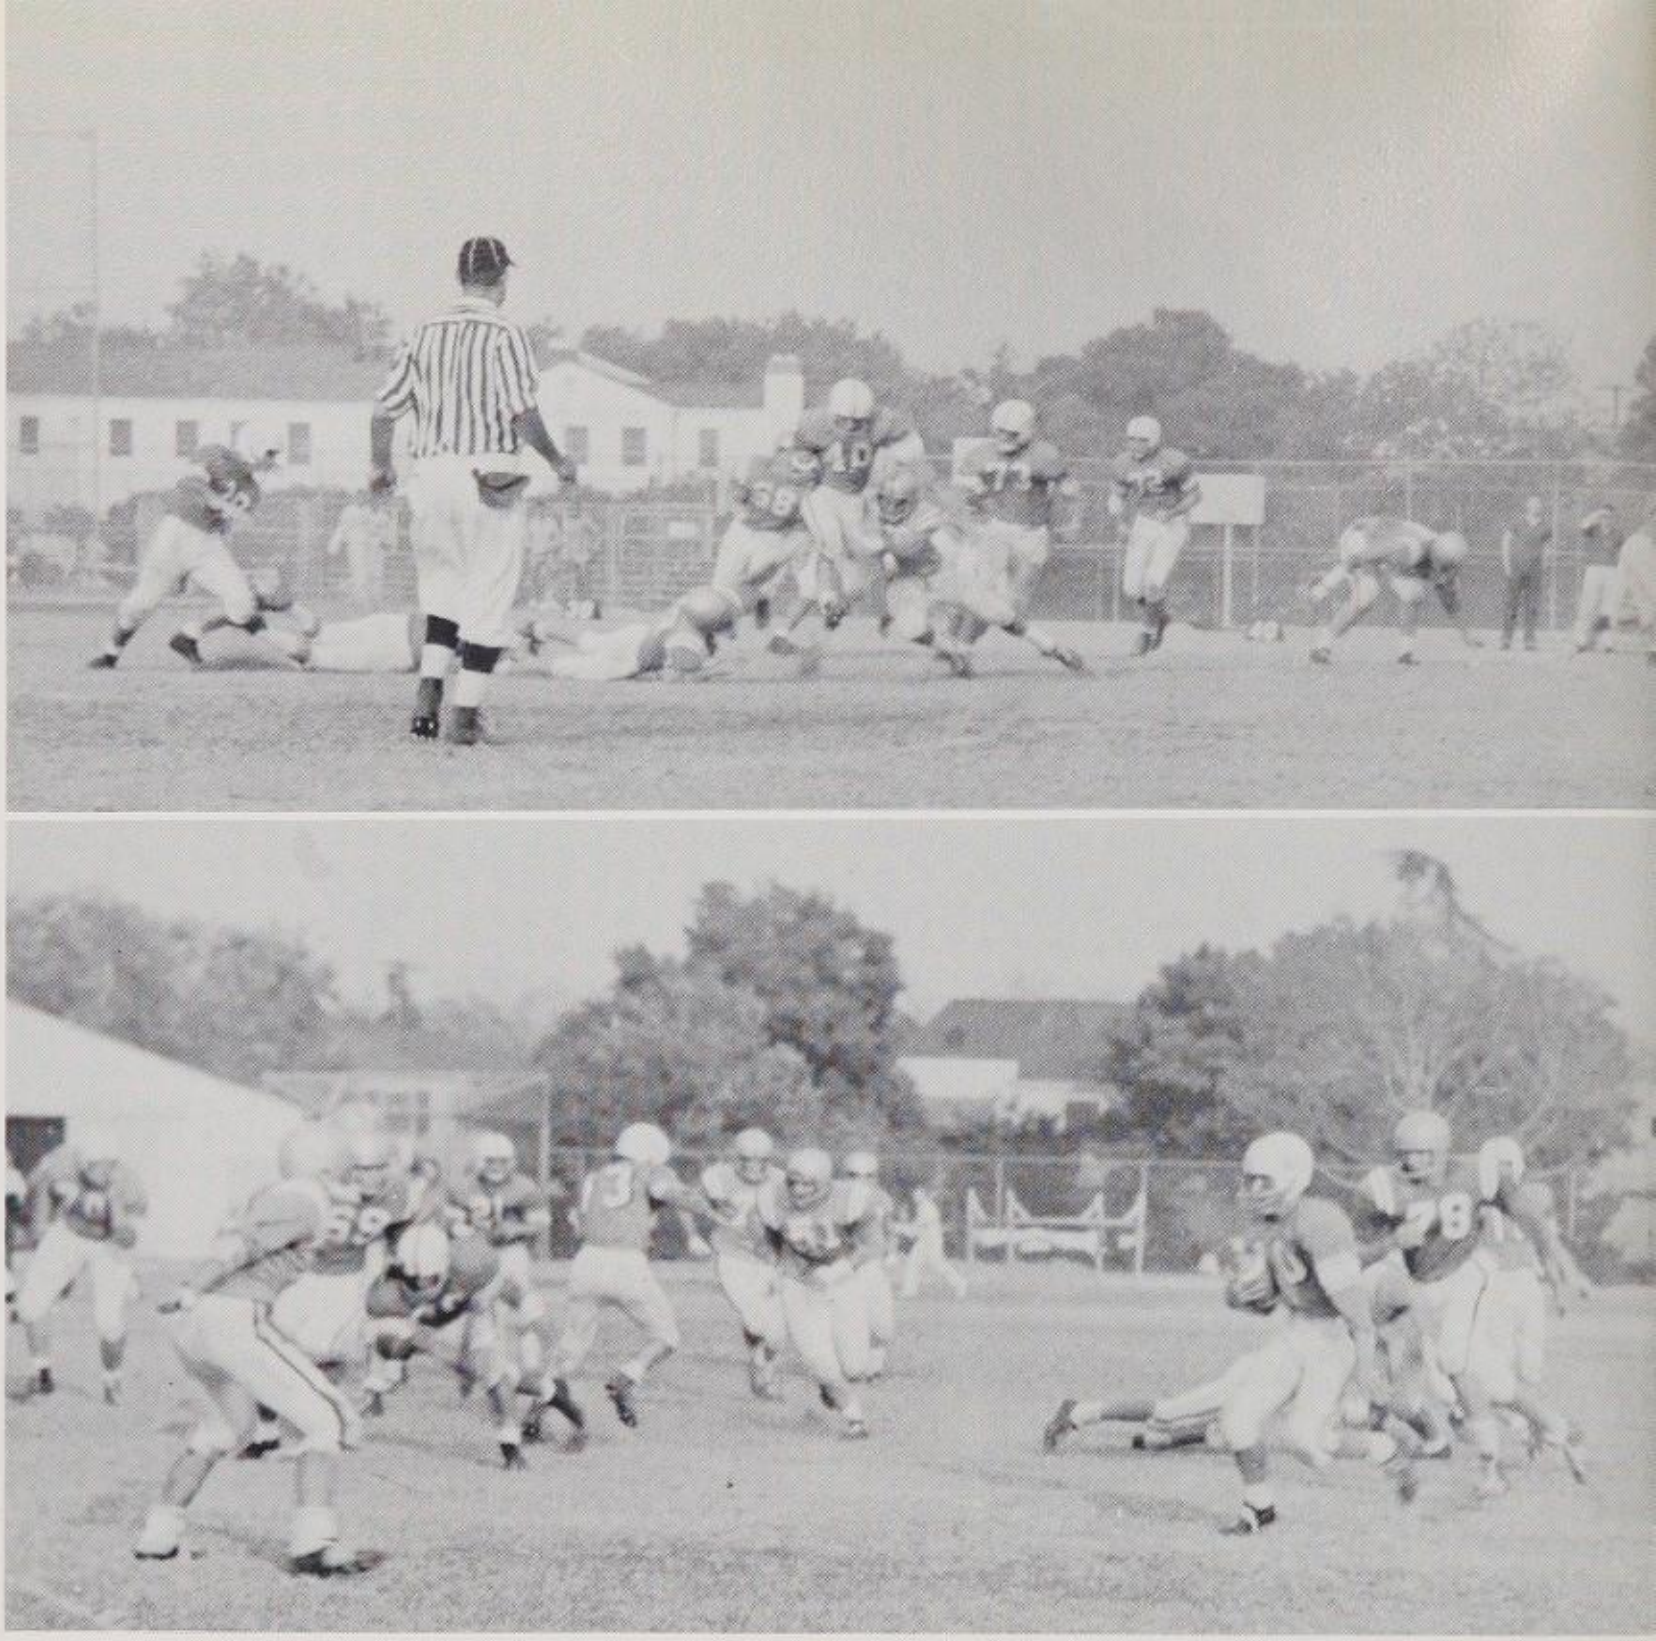
After dropping two practice tilts to Burbank and South Pasadena, Beverly began its League season against El Segundo, where the Eagle's highly-touted passing combination of Pete Beathard to Cliff Pleggenkuhle spelled out Normandy's downfall, 19-6. Culver City, Beverly's cross-town rival was next, and in a dogged and hard-fought battle the Centaurs finally wore down the Normans, 7-0. Beverly finally came into its own against Lennox as the Normans toppled the Lancers, 19-12. The game was an outstanding team effort and one of Beverly's two top performances of the year. Torrance and close neighbor South Torrance followed—and they combined to snap the Normans out of their brief moment of glory by respective scores of 13-0 and 37-7. In the final League contest against League champs, Aviation, Beverly came back to show the fine form it had in the Lennox game. Beverly led through three quarters, 13-12, only to have the Falcons push over a T.D. in the final minutes for an extremely close 19-13 victory.



ended '59 season with a disappointing record.



A SPECTACULAR DIVING CATCH is made by Norman Don Ansen (21), who sticky-fingers the ball for a 11-yard gain.



SCOTT McCOMAS (40), above, tries valiantly to hurdle a pair of Culver City linemen, but is tripped up after picking up four yards.
BELOW, ONLY ONE CULVER CITY DEFENDER stands between McComas (40) and an open field. Mel Fay (30) executes key block for Scott.

Beverly's B's after good start....

B FOOTBALL

Beverly's B Football Team placed fifth in the Pioneer League standings this year, winning only two games, and losing six. Every game, however, had plenty of action and displayed endless spirit by the Norbabes.

Under Coaches Flanagan and Sieling, the squad showed up on Herried Field two weeks before school opened and during the season could be found practicing their line and scrimmage plays until sundown. But such determined spirit was not enough to stop Burbank who won the opening game, 6-0. A fighting team was able to top South Pasadena the following week and repeat with a win over El Segundo, but bad luck now appeared on the schedule and the B's lost the next five games.

Sparking the Norbabes throughout the season were hard playing backs Jim Conti, John Black, Neil DeMars, and Richard Borin who will be back at Beverly next year, though probably playing Varsity ball.

Harriers nab fifth in League.

CROSS COUNTRY

With only four returning Varsity lettermen, Beverly's Cross Country Team had to settle for a fifth in the Pioneer League Finals this year. In their first meet, a triangular affair, they came out second, outclassed only by a tough South Pasadena running squad. The score: South Pasadena 41, Beverly 62. This aroused their determination so they worked out harder preparing for their next meet against Lennox. In this meet their determination paid off and they went out and won 17 to 45. Their fighting spirit carried over in the meet against El Segundo, where they turned in a perfect score, taking the first seven places. This marked the first time in Beverly's Cross Country history—such a feat had been accomplished. But this winning streak didn't hold out in the next four weeks including the League Finals. They unfortunately lost meets to Aviation, Culver City, and Torrance.

Throughout the season the team was sparked by these fast running thin clads: John Beck, Wes Smith, John Byrnes, Mike Fein, Randy Evan, Robert Parker, and Jim Loeb. John Beck particularly was the sparkplug of the team by coming in fifth out of a field of 77 runners at Mt. S.A.C.'s Invitational Cross Country meet and placing fourth in Pioneer League Finals.

WATER POLO

Water Polo made an entrance into the Norman athletic picture in 1959 and the results of the initial season were surprisingly successful. Coach Walt Puffer's aquamen took three of their last four practice contests and, until their last two games, were well in contention for the league title.

Sparking the polomen were many of the same swimmers who brought Beverly a second place in CIF swimming finals. Steve Kern and Bill Miller were tops in scoring, while Dave Bennett, with his exceptional all-around play earned a spot on the All-League first team. Ken Meyer, goal keeper for the Normans, made like a magician as he continually turned scoring shots into harmless misses.

Congratulations for Beverly's fine showing must go to Coach Walt Puffer. Starting from scratch, he built his inexperienced squad into a smooth working unit.

VARSITY BASKETBALL

With a sizzling finish, in which they rolled over their final seven opponents, Beverly's basketballers earned a stellar 19-4 regular season record and a 10-2 mark in league. For the fifth time in six years the Normans qualified for CIF.

Topping the Norman's season were numerous second place finishes . . . in the Pacific Bay Shores Tourney . . . in Beverly's own tourney . . . and in Pioneer League. Also high among the thrills of this year of exceptional drama were victories over the CIF-bound squads of Santa Monica, Culver City, and Glendale Hoover, their thrilling three-game series with Aviation, and a narrow four-point loss to CIF runners-up, Anaheim (in the finals of the Beverly Hills Tourney). In Beverly's only CIF engagement they lost a tensely-played exhibition to Santa Barbara, 60-42.

Giving the Normans the individual spark they needed was Captain Dave Mohs, who hit for a steady 13.5 season scoring average. Among the honors Dave earned was a spot on the All-Bay Shores team, being voted the outstanding player in the Beverly Hills Tourney, and a selection on the All-Pioneer League squad. Undoubtedly the most improved player on the team was center Bob Einstein. Much of the credit for Beverly's final season surge can be attributed to Bob's exceptional rise. In the last eight games of the season Bob averaged 13 points and 16 rebounds per game. Bob was also an All-League selection. Guard Randy Wright was another top point contributor with a fine 9.5 point a game average. Terry Leonard, with a deadly outside shot hit for an 8.1 scoring average. Tom Kauffman, although falling as far as points were concerned towards the season's end, was always a hustler and a big man on the boards.

WRESTLING

Putting the finishing touches on one of the finest mat seasons in Norman history, Beverly's stellar wrestling squad nabbed a third place Pioneer League finish. Only four points separated the Normans from a second spot, and their 7-win 5-loss seasonal record marked the first winning wrestling season in Norman annals. Added to this, the matmen grabbed a third place in the 16 team Santa Barbara Tourney and seventh out of 24 in the El Camino Tournament. Cyril Edi, John Black, Dick Moss, Dick Hershman, and Ricky Sylvester all took second places in their divisions in League to qualify for CIF. Dennie Entin, who took a third, also made CIF. With all but Edi, Moss, and Sylvester returning, Beverly has the nucleus of another fine squad in '61.

VARSITY BASEBALL

Having one of his youngest and most inexperienced Varsity baseball teams in years, Coach Hal Sieling counted on 1960 as a building season for his horsehiders. After surprising many by winning their opener over a good Hollywood squad, 6-1, the Normans succumbed, as many young teams will, to a case of error-itis. However, Beverly did come through to top the defending CIF champions, Morningside 3-2, and went into League with high hopes. Pitchers Ricky Schuchet, Marty Trugman, Steve Randall, and Dave Brown all showed flashes of brilliance, but only senior Schuchet was able to steadily hurl effectively. Sophomore Larry Calof also showed good "stuff" although pitching mostly in relief. Actually, the main problem for the Normans was getting on base. However, Juniors Dennie Peterson and Jim Conti and Sophomores Vigo Boserup and Barry Mendelson all showed excellent hitting potential —in somewhat erratic spurts. Senior catcher Hank Freidman proved a steady "rock" behind the plate and another senior, Alan Friedman also helped to give the club that necessary experience and know-how.

VARSITY TRACK

Plagued by a lack of depth, but illuminated by individual excellence, Beverly's 1960 track team produced a number of exceptional marks. Senior Steve Fisher, after breaking three school records and one league standard in his previous three years, set his sights in '60 on the school and League 880 marks. With an excellent time of 2:01.7 for the two-lapper after only two weeks of practice, Steve seemed well on his way. Junior John Beck also seemed destined to break a school record as he had already sped to within three seconds of the mile record of 4:29.6 with half the season remaining. Pole vaulter Roger Rhoads became the third Norman to be threatening records when he began clearing 12 feet early in the season. Rog was only eight inches away from rewriting the record books. Another Norman standout was hurdler Pete Olson who was consistently among the top placers while becoming one of the Normans' top point totallers. Mike Fein, a junior who had turned in excellent times in the 880 the previous year moved down to the 440 with equally bright results. Sophomore sprinters Bob Parker and Steve Abrams, competing in Varsity because of the depleted "A" team ranks, showed great promise for the future. Senior sprinter Steve Benoff and hurdler Scott McComas also turned in some fine performances for the Normans.

VARSITY SWIMMING

Beverly's tremendously potent swim team moved into the '60 spotlight with their sights set on redoing the record book that they had already completely redone the year before. On the squad were four All-Americans in Dave Bennett, Steve Kern, Julian Marx, and Bob Perlmutter, making the Normans one of the finest teams in the country. The mermen started out the season on the right track by taking the CIF Relays. The following week the Normans took an extremely close second at the Lynwood Relays, losing by only four points to a team that they had beaten at the CIF affair. The Normans came back to sweep by all their dual meet foes and then took first place in their own star-studded Beverly Hills Invitational. During the tourney the Norman medley relay team of Steve Kern, Steve Ross, Julian Marx, and Dave Bennett combined to set a new CIF record, while the free style relay quartet just barely failed to top another.

Dave Bennett, who smashed three school standards in '59 was also the Normans' top individual in '60 as he rebroke two of the three records. Julian Marx, a second place CIF finisher in '59, was once again one of Southern California's top swimmers in the breast stroke. Norman Butterfly specialist, Steve Ross, improved tremendously, breaking 60 seconds in his event. Steve Kern and Bob Perlmutter, Beverly's other All-Americans, turned in stellar times in the backstroke and free style. Harry Sieling did an outstanding job in diving, going through the season without defeat. Sophomores Bill Miller and Ric Holz and Junior Spencer Kagan also turned in excellent performances and appeared to be ready to keep the Normans a top swimming power in the future.

VARSITY GOLF

After barely missing the CIF championship in both '58 and '59, Beverly's golfmen once again eyed the top spot in Southern California for '60. Although losing Ron Rhoads, the CIF co-champion of '59, Coach Lou Hart still had such outstanding returning lettermen as Mike Donner, Captain Mike Leebove, Buddy Jolton, Al Melton, and Ricky Rhoads (Ron's brother). Donner was particularly outstanding for the Normans, as he broke 40 on numerous occasions. Rhoads followed in the footsteps of his brother by taking medalist honors a large portion of the time.

Over the long regular season the Normans lost just one practice match, while, as usual, going undefeated in Pioneer League. Although not as individually outstanding as in '59, the teemen headed into CIF with one of the most well-balanced teams in the area.

VARSITY TENNIS

Losing several of the area's top tennis stars from the previous year, Beverly's racquetmen came back to garner another stellar record in '60. After a mediocre start the Normans took four of their next six matches, including their first three Pioneer League matches in a row. Thus, with an exceptionally well-rounded squad, the racqueteers appeared to have an excellent chance in CIF.

Foreign-exchange student, Jan Kohler, was an invaluable newcomer to the Norman squad as he quickly fought his way to the top of the ladder. Jeff Ellis, the top returnee from the last year's CIF semi-finalists, also turned in a stellar seasonal record, winning three of his five early season matches. Mike Schwab proved an extremely bright surprise as he led the '60 tennis men in match points. Ken Frankel was another outstanding Norman, winning a majority of his matches, and helping the Normans to continue their domination of Pioneer League tennis.

G.A.A. BOARD

Randy Shafton, fall president of the Girls' Athletic Association, conducted the Board meetings every Thursday at noon when the members met to discuss plans for the coming activities. One of the big events of the year was the G.A.A. Dance, "The Harvest Hoedown," which was held in the Swim Gym. The annual Christmas party featured relay races, apple-dunking contests, and games for all. Also held the first semester were the after school sports playdays at the several schools in our league. Assisting Randy were Vice-president Diane Girdwoyn, Susie Friendly as secretary, and Beverly Meadows, treasurer.

The Spring Semester got under way with Margie Morse serving as the Board's new president. Featured this term was the big grammar school playday. Another highlight was the volleyball playday, which included many other high schools and was held on the Norman campus. Other officers were Vice-president Judi Herwit, the two secretaries, Lana Goodman and Patti Camras, and Treasurer Wendy Wilson. This year's activities were sponsored by Mrs. Charlotte Wire.

DRILL TEAM

The drill team, which marched at nearly every football game the first semester, consisted of sixty-eight girls. The members were selected the previous May and were chosen on the basis of coordination, rhythm, and the ability to follow directions. Led by the head of the drill team, Patty Feichtmeir, the girls presented several new and original numbers. Among them were a special jazz march and an umbrella routine. The school flag girls marched along with the drill team at each game and then went on with their performance. This year's team was sponsored by Mrs. Dixie Lee Zovak, who tirelessly gave of her time and patience to make this year's group the best ever.

Terpsichoreans is the name of the G.A.A.-sponsored dance group at Beverly. In order to become a member, a girl must have a special interest and talent for modern dancing. Beginning their activities during the second semester, Terpsies spent most of the time in preparation for their main activity, a dance assembly. This successful program was presented on May 7, and the theme was "Cities of the United States." Sponsored by Miss Mari-Ann Strandwall, the Terpsies presented a group of dances in the Music Department's Spring Concert. The group's president was Bonnie Boomfied, who was assisted by Patti Kaufman as vice-president. Mary Corey served as the G.A.A. representative.

SWIM TEAM

The Beverly Swim Team consists of twenty girls who were chosen last year in April on the basis of swimming form and speed. It is primarily a Sophomore, Junior, and Senior team; however, if a Freshman possesses great swimming ability, she may be accepted as a member. The highlight of this season was an invitational swim meet, held here, during which Beverly hosted four other high schools: Morningside, Santa Barbara, Ventura, and Marymount. Led by Captain Margie Morse, the girls were victorious at every meet in which they swam this year. They won nearly every time by a tremendous margin. Miss Barbara Holman served as the sponsor of the Swim Team.

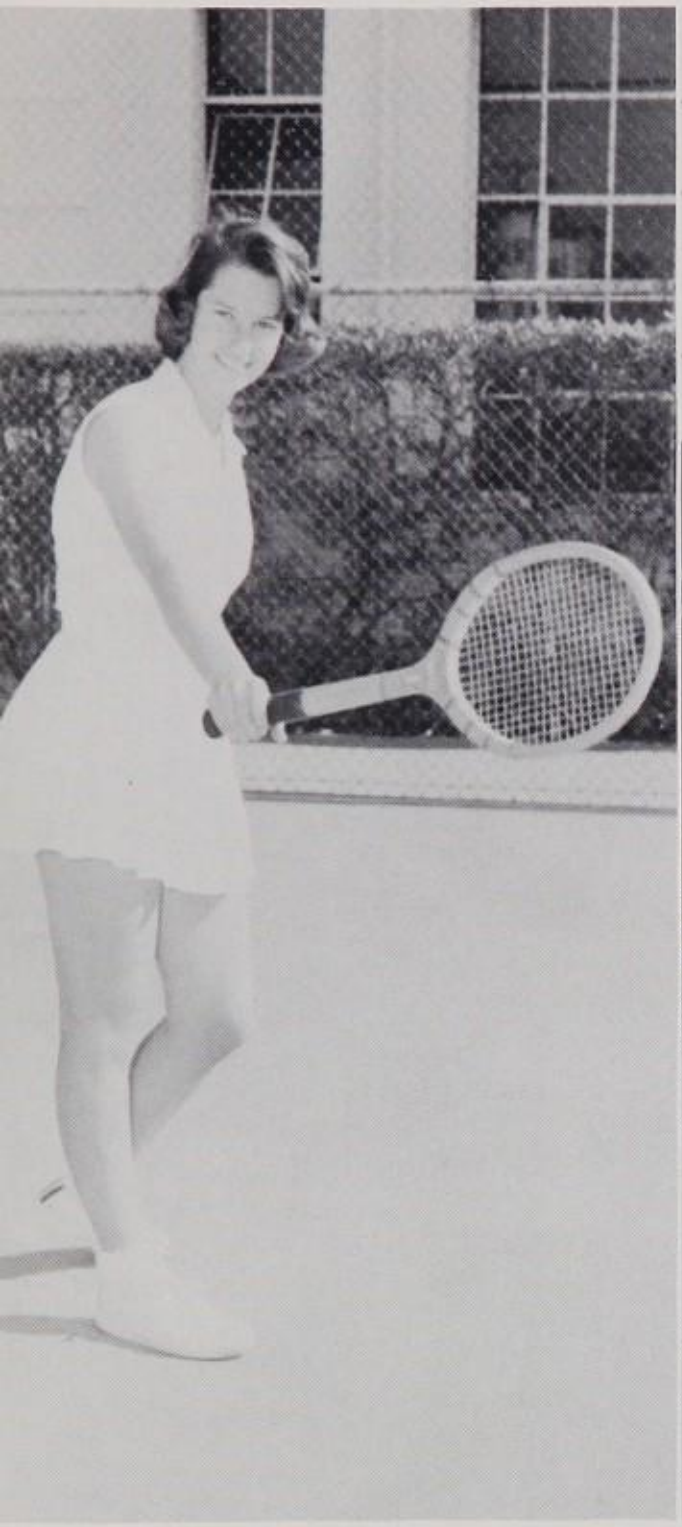
TENNIS TEAM

Early in January, the girls who had gone out for the tennis ladder held a progressive dinner which ended at the home of Nancy Nathan, tennis team captain. Here the spring semester team members were announced. The girls were selected for outstanding tennis ability, good sportsmanship, and knowledge of the game. During the season the team members played matches against several other high schools and once again kept up the winning record set by previous Beverly tennis teams. The highlight of the season was an invitational tournament in which Beverly's girls were host to all the high schools they had played against. A round robin tournament was featured and the event ended with a lunch for the players. Wendy Wilson was co-captain, and Miss Barbara Holman served as the sponsor.

After school sports



In order to qualify for membership in G.A.A. a girl must have maintained either an "A" or "B" average in physical education and have either participated in two after school sports or have been active in one sport and given ten service hours. The sports offered were volleyball, basketball, swimming, tennis, softball, and hockey-speed-a-way. The participation in these sports not only furthered the practice of good sportsmanship but provided fun and increased athletic skills.

ALPHAS

An honor much sought after by upper-grade Beverly girls is induction into Alphas. Qualifications for membership are scholarship, service, and citizenship. The Alphas devoted their services to supervising noon study hall and selling "Alpha suckers" to raise money for charities. The girls also presented well-organized and beneficial panels to inform Beverly girls on manners, morals, and proper dress for high school. This year the honor society sponsored the successful "Old Fashioned Christmas" formal dance held in the Student Lounge. In carrying out other activities the girls played hostesses at their father-daughter banquet, and honored their mothers at a tea. Sponsors of the group this year were Miss Alida Parker and Mrs. Theresia Cunningham.

SQUIRES

Freshmen and Sophomore boys are eligible for membership in the lower grade honor society called Squires. The purpose of the club is to promote sportsmanship, service to the school, and scholarship. The Squires lowered the flag at the completion of each school day and also performed their traditional duties of supervising the halls during noon time and selling cokes at athletic events. Two of their other activities were the supervision of the malt machine and the supervision of the parking lot for Baccalaureate and graduation. The Squires held their annual Squire Dance in November. Qualifications for membership in the honor organization are a grade average of not less than 1.5, several teacher recommendations, and the approval of the Boys' Dean and club members. This years sponsor was Mr. Walt Puffer.

ADELPHIANS

Adelphians is the honor organization for Freshmen and Sophomore girls. The purpose of the organization is to maintain a high standard of scholarship, to set a good example of honesty in the classroom, and to support school functions and drives wholeheartedly. The qualifications for membership consist of many different requirements; a student must have a grade average of 1.5, must receive good ratings in various activities, have evident desire to serve Beverly, a good character, and at least two teacher recommendations. The main activity this year was helping the Red Cross. They also assisted the cafeteria council, keeping order in the cafeteria at noon, put on their annual dance, and had a farewell luncheon in February for out-going Adelphians. The sponsor of the organization was Miss Lynn Goldman, who constantly offered her guidance in making this a very rewarding year.

LEKTOS

The Lektos is the Beverly Hills High School honor organization for students who have achieved the greatest success in one particular field at Beverly. Membership in Lektos is much sought after and appreciated because only one student out of 200 enrolled in a department may be chosen. The criterion for membership is scholastic achievement, and the main purpose of Lektos is to promote scholarship and individual effort. This is one of Beverly's oldest clubs. Miss Frances Hurd originated the idea in 1935, and Miss Frances Griffin named the club Lektos, after the Greek word meaning the "chosen one." Faculty sponsor of this year's Lektos was Anna W. Steere.

C.S.F.

Beverly's highest scholastic group is the California Scholarship Federation, which is Chapter 185 out of 200 high schools. The organization gives recognition for outstanding academic achievement. With "Scholarship for Service" as their motto, the California Scholastic Federation chooses its membership on the basis of three A's and one B as the minimum requirement. Applications for membership are filed at the beginning of every new semester. Seniors who were members for six semesters were eligible for the Sealbearer award, and those who were members for four semesters were in line for Torchbearer award. The club's main activity is providing student tutors for other students who need help in a subject. C.S.F. is sponsored by Mrs. Phyllis Bartine.

ALCHEMISTS

Scholarship and interest in science are the bases on which Alchemists are chosen. This organization seeks to carry on more advanced chemical and physical research than is done in the classroom. Its aim is to foster and develop an interest in science and to keep up with the latest scientific developments. The club meetings were held twice a month and reports on scientific topics were given by the new members. The sponsors of this honorary science club are Mr. Larry Lynch and Mr. George Egan.

MESONS: *Row* 1: B. Hays, S. Howell, G. Gillman, R. Krell, M. Rockford, R. Krell. *Row* 2: H. Lichterman, B. Joffe, S. Baron, J. Kaswick, L. Orren, J. Abraham, B. Vanda. *Row* 3: B. King, B. Kogan, P. Feldman, J. Hyde, R. Bassett, M. Jeffery, N. Blank, A. Bal (sponsor).

MESONS

The lower division science organization, Mesons, meets twice a month. The students must achieve an A average in their science studies in order to be eligible for membership. Mr. Adrian Bal, sponsor of Mesons, conducts and presides over the meetings. The purpose of the organization is to further and increase the knowledge of its members and to stimulate those students interested in science. The purpose is accomplished by group participation in various projects, by lectures, and by field trips to different places of interest.

MEDICAL CLUB

The Medical Club, a new organization which was formed last year, admits Sophomores, Juniors, and Seniors for membership. One year of science is the basic requirement. The purpose of the club is to promote interest in the medical profession. At their meetings, held at noon on Fridays, the club members were entertained and informed by movies, lectures, and student reports on medicine. There were many field trips to places of interest such as the UCLA Medical Center and Bio-Science Laboratory and the SC Dental School. In March the members observed Health Week, which they publicized by posters. Mrs. Ingrid Markul and Mrs. Edith McKeon served as the sponsors.

MATH CLUB

The Math Club is an organization for Sophomores, Juniors, or Seniors who are interested in the subject of mathematics. The events at the meetings involve discussions by off-campus speakers, plans for future field trips, and mathematical games called Mex, Nim, and 3-D tic-tac-toe. Another activity of the club is participation in the Occidental College Math Field Day, which is an annual event held in March. One of the many aims of the Math Club is to encourage math students to become more interested in this field. The sponsor of the organization is Mr. Henry Clarke.

A.U.A.

A.U.A., which means Art Understanding and Appreciation, is an honorary organization at Beverly, whose purpose is to foster a better comprehension of fine arts and to promote a clear understanding of art. This organization is limited to 20 students elected from the Sophomore, Junior, and Senior classes. Students who maintain a B average in their art courses are eligible for membership. Clever posters seen on campus and attractive showcases in the halls were the work of this group. One of their activities was the annual sale of Christmas tags and seals, which they designed and made themselves; the proceeds went to charity. In the spring of the year A.U.A. assisted in the annual Departmental Art Exhibit as hosts and hostesses. Under the sponsorship of Mrs. Lucille Robert, the group enjoyed many interesting and beneficial field trips.

MUSIC MAKERS

The purpose of the Musical Club is to further the interest of music for the students at Beverly. Membership in the club is open to Normans who are enrolled in a music class and are able to maintain a "B" average in that class. The talented club members performed for each other at various times during the year, gaining valuable experience and stage presence when they entertained. Sponsored by Mrs. Leah Moore, the organization held an enjoyable banquet at the end of the year.

THESPIANS: *Row 1:* B. Franklin, E. Asher, *Row 2:* C. Roberts, W. Buckner, J. Jordan. *Row 3:* R. Rogosin, W. Lester (sponsor), J. Jacobson.

THESPIANS

The Thespians of Beverly Hills High School are part of the National Thespian Society. Those students who have excelled in some phase of drama are honored by membership in the group. Applicants for membership in Thespians must have devoted one hundred hours to theater work. Besides sponsoring various dramatic activities at Beverly this club produced several one and three-act plays. The outstanding feature of the Spring semester is the club's presentation of a one-act play at the Pasadena Playhouse. The club's sponsor, Mr. Ward Lester, expertly guided the group.

BIBLIONS

Biblions is an honor organization whose members render service to the school through library work. Their duties are to shelve returned books, work at the circulation desk, find issues of magazines requested by students, and perform other duties as requested by the librarian. Members are selected on the basis of citizenship, scholorship, and leadership from a list made up of volunteers. As a club, Biblions have regular meetings, sponsor such activities as contests open to all students, and enjoy occasional social events and field trips. The sponsor of the club is Mrs. Lois Burmester, school librarian.

QUILL AND SCROLL

Filled with the burning desire to write, the enthusiastic members of the Beverly Hills High School Quill and Scroll participated in many journalistic activities this year. This organization is part of the National High School Journalistic Honor Society. Members are chosen from the outstanding journalists on the Highlights staff. The qualification for Quill and Scroll membership is that the student must have written a minimum of five hundred inches of printed material. Some of the club's activities were sponsoring school-wide essay contests and taking complete charge of writing the BHHS Annual Basketball Tournament Program. Mr. Raynolds Johnson served as sponsor.

L'ESPRIT DE FRANCE

This year both the upper and lower division French Clubs joined into one to form L'Esprit de France. The purpose of this organization is to provide a French atmosphere in language and activities to those students who are interested. The club is open to any Norman taking French in school. Sponsored by Miss Gloria Cartozian, the meetings were held at lunch time during which all conversation was in French. Movies and French songs were planned for these meetings, and one of the main events of the year was a puppet show, held in the Student Lounge and sponsored by the club. Members assisted in the Christmas Party proceedings at the Centre Francais, which is a French Center downtown supported by many French families. For a few hours the students mingled and talked to French-speaking children and adults. The club also sent Care packages of clothing to French families.

S. P. Q. R.

The Senatus Populus Que Romanus, known as the Latin Club, is open to anyone who is interested in the Latin language. This club gives an opportunity to students of Latin to meet twice a month in a group in order to gain a more thorough knowledge of Roman life, customs, and language; and a better understanding of the cultural value of Latin. The club is governed in the style of ancient Rome, and at the meetings the members take part in discussions, Latin plays, and trips to places of interest to the students of classical language. In December the group honored a Roman God with the Saturnalia Festival. Another outstanding event of the year was the Roman Banquet in April. Miss Frances Griffin sponsors the organization.

LOS QUIJOTES

Los Quijotes, sponsored by Mr. John Padilla, is open for membership to all students taking eleventh and twelfth grade Spanish, for the purpose of furthering the knowledge of the Spanish language, customs, and traditions. During the year, the members were entertained at the meetings by native speakers, dancers, and musicians. A main event was the field trip to Padua Hills where the students watched a performance of professional Spanish actors. One of the last activities for Los Quijotes was their annual Spanish Banquet, a very successful event.

LOS ESPANOLITOS

Los Espanolitos, the lower grade Spanish club, is open to all first and second year Spanish students. The club offers a chance to speak classroom Spanish in fun-filled activities and to learn more about Spanish life by means of lectures and movies. Some of the club's varied activities which took place during the year were a Christmas party held in the Student Lounge, a discussion of Spanish social customs by Mexican students, and movies and lectures on the art of bullfighting. Miss Lynn Goldman was the sponsor of the club.

GERMAN CLUB

Der Deutsche Verein is the German Club at Beverly. Students who are taking courses in German and are interested in the language may join the organization. This club gives an opportunity for students to practice the German language. In learning more about Germany and her customs, members of Der Deutsche Verein were fortunate in having talks and slides portraying the costumes and the way of life of the German people. The noon meetings that were held during the year were conducted in German. The person responsible for this successful year was Mr. James Knauer, sponsor.

CHESS CLUB

At Beverly, interested students participate in Chess Club, a club sponsored by Mr. Edward Elliot. The purpose of this organization is to promote interest in one of the oldest games—chess—and to develop friendships with students of other schools through interscholastic competition. The club met four days a week for informal play and instruction. Members of the club entered tournaments at Fairfax and Westchester high schools and formed an eight man team to compete for the Southern California High School Chess League. This year the participants learned a great deal about the complicated game.

CHESS CLUB: *Row 1:* R. Kehr, H. Hirschensohn, S. Baron, G. Lewbel. *Row 2:* M. Factor, H. Lichterman, L. Toberoff, B. Cole, K. Kalcheim. *Row 3:* E. Elliot (Sponsor), J. Schwartz, S. Berkowitz, S. Chandler, D. Cytron, J. Fleisher, S. Jacquard (sponsor).

HOME ECONOMICS CLUB

Girls interested in homemaking are members of the Home Economics Club, an organization sponsored by Mrs. Corinne Pyle. The purpose of the club is to provide its members with an excellent training for a future in homemaking. Services to the school such as apple and candy sales, are conducted several times during the year. Some other club activities are sending packages and letters to families of other countries, as well as having social affairs such as dinners, punch parties, and teas.

BUSINESS EDUCATION CLUB

The clicking of typewriter keys and the hum of various office instruments drew many students into the Business Education Club, where they had an opportunity to further their commercial interests. Any student enrolled in a class in the commercial department may be a member of the club. The Business Education Club's aim is to promote a better relationship between the club members and the business world of today. Some of the activities for the year were field trips, card laminations, and co-sponsoring of the Vocational Guidance Conference, a program which helps students in choosing a career. The sponsor of the club is Miss Marilyn Reynertson.

C.E.C.

The California Education Club is composed of students who aspire to become teachers. Junior and Senior members of the club are given the opportunity to visit the four Beverly Hills Elementary Schools regularly and assist in teaching the lower grade classes. Some of the activities were field trips to various schools for blind and deaf children, attendance at the Convention of Student Teachers held at U.S.C., and a few pizza parties. The sponsors of this organization are a group of faculty members headed by Miss Alida Parker.

RADIO CLUB

Membership in the Radio Club is open to all students who are interested in participating in code classes, learning the theory of radio broadcasting, and transmitting radio broadcasts. The Radio Club members became active early in the semester by operating sound equipment at athletic events and dances. Sponsored by Mr. Salvatore Occhipinti, the members of the club used the radio station KGGLE which provides a vital civil defense link in case of an emergency.

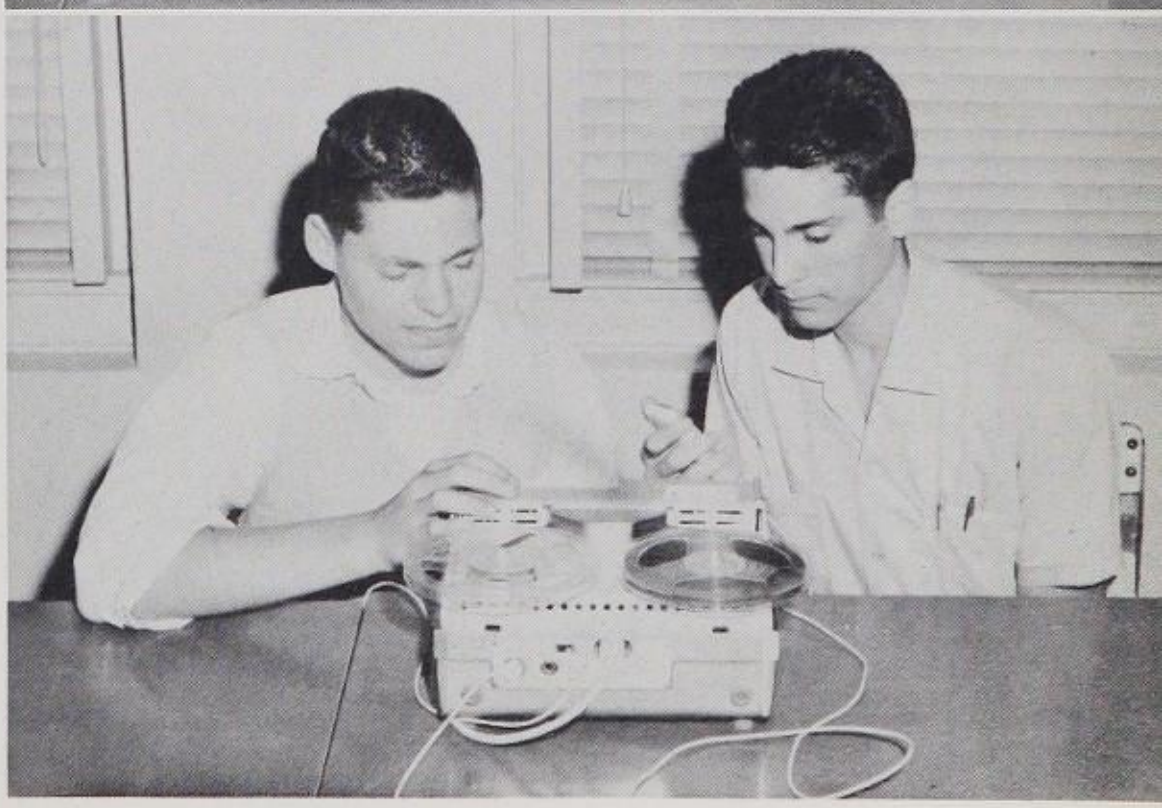
NORMAN SHIELD

Norman Shield is the boys' lettermen club at Beverly High. Membership is open to all boys who have lettered in a sport; and have earned twenty letter points. In addition, twenty service points are required for a boy to earn a Shield. Service points were attained by selling cokes, officiating at games, and housing visiting team members at Beverly's annual Invitational Basketball Tournament, swim meets, and track meets. Points were also earned by posting scores at various games and by active participation in the campaign for campus clean-up. This organization is sponsored by Mr. Joe Sabol.

NORMAN NEWSREEL

The Norman Newsreel, sponsored by the Boy's League, is a 16 mm. color movie record of all events at Beverly. It is shown once each semester and averages thirty minutes in length. This year's Norman Newsreel Committee strove for vast improvements in quality and made many innovations, their efforts resulting in Beverly's best Newsreel. Among these improvements were an epilogue culled from 1940-1942 Newsreels; the addition of synchronized, on-the-spot sound; the use of two cameras; experimentation with new types of film; and the inclusion of cleverly animated titles. At right Mr. William Brinegar, sponsor, and Robert Swarthe, chairman of the Committee, inspect the school camera.

Ken Zuckerman, co-chairman, and Richard Bohn, general assistant, are shown editing the film, making use of efficient professional equipment. Close co-operation between the versatile committee members contributed greatly to the success of the Newsreel, as did the hard work, thought, and care given it by the Committee co-chairmen, Robert and Ken.



Gary Sultan, sound engineer (on right), demonstrates the use of the Committee's portable tape recorder to Dan Cytron, general assistant. The sound was transferred from this Wollensak recorder to a master tape on a large Concertone professional recorder, and thence to the magnetic soundtrack on the film. Experience led to improvements in fidelity and lessening of sound distortion.

At this time the school's friendliest couples were announced, and the mystery "helloer" was revealed. Refreshments were served, while students danced to the ten top tunes. The Big and Little Sister Party provided an opportunity for senior, junior, and sophomore girls to introduce their little sisters to their friends. Incoming freshmen were coached on Beverly's customs and regulations; a feeling of spontaneous gaiety prevailed.

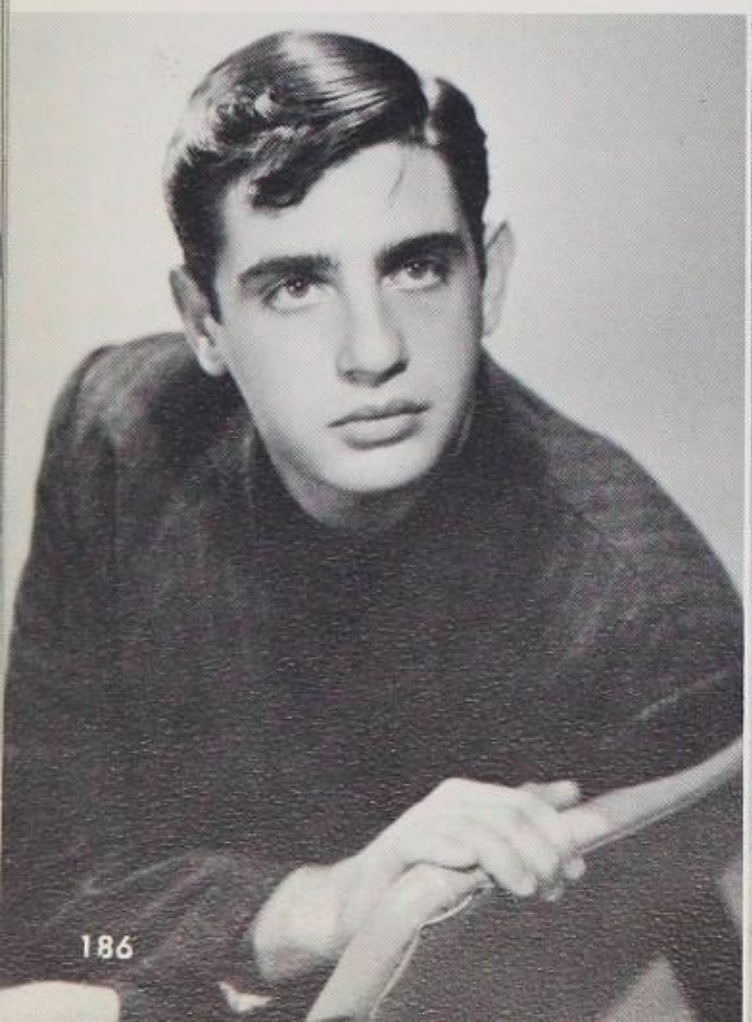
THE HOLLYWOOD LEGEND

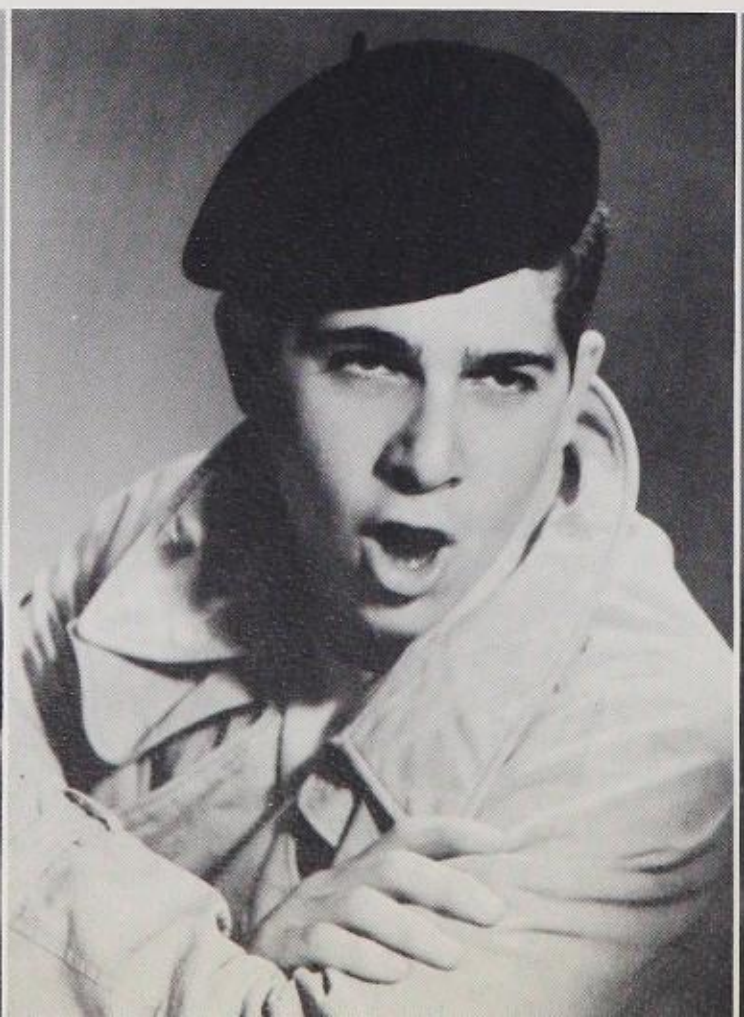
Over 300 Beverly Hills High School students participated in the musical production THE HOLLYWOOD LEGEND which was presented May 20th and 21st in the auditorium. Under the expert guidance of Ward Lester, faculty director, and Bryant M. Hale who produced and staged the extravaganza, the action moved fluidly through the 18 scenes filled with rhythmic dances, catchy tunes, lavish costumes, and elaborate settings. George Wright directed the orchestra, Glen Case the chorus, and Barbara Holman the dancers. Corinne Pyle's homemaking classes designed and made the costumes and Craig Palmer, S'57, arranged the 22 songs. With book, music, and lyrics by Mr. Hale, this marked the third time this musical comedy has been presented by the student body.

Student Producer Pete McCoy designed the sets which were executed by the stage crew and was also responsible for the unusual lighting effects. Carol Roberts was the student director and Mel Fay and Ray Sokol were the stage managers. Space does not permit mention of the many other students who served on the production staff but recognition should be given to Art Borack who was responsible for the sophisticated 32 page souvenir program.

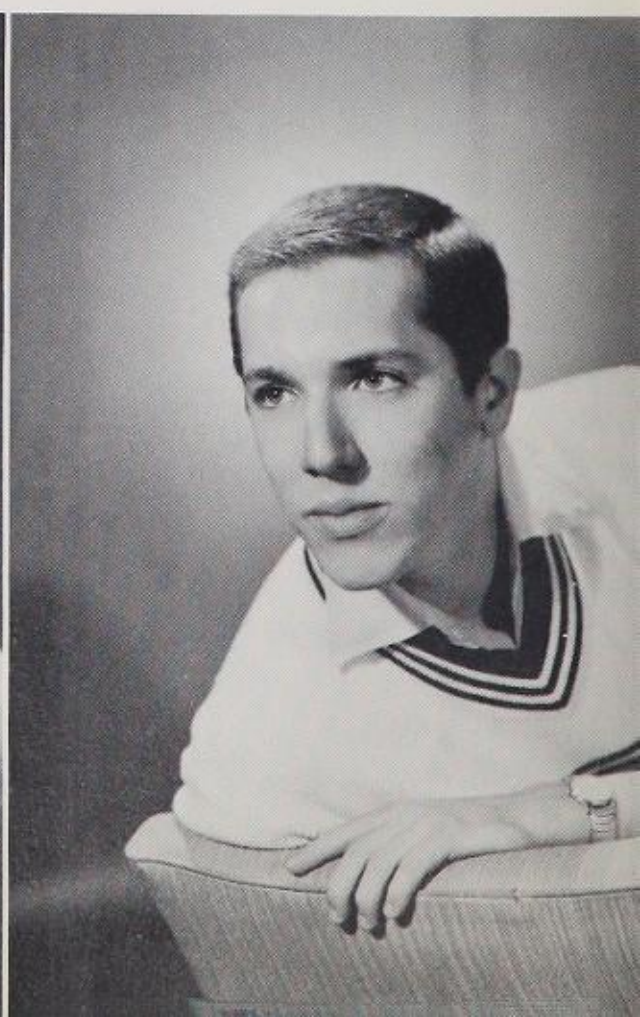
Barry Kopp as the actor brought out from New York to be Carroll's leading man.



Mike Lawrence as the director who discovered Carroll when she was an unknown.



Roy Rogosin as the idol of the bobbie soxers and Carroll's secret passion.



The Tahitian dancers strike a south sea island pose during rehearsals.

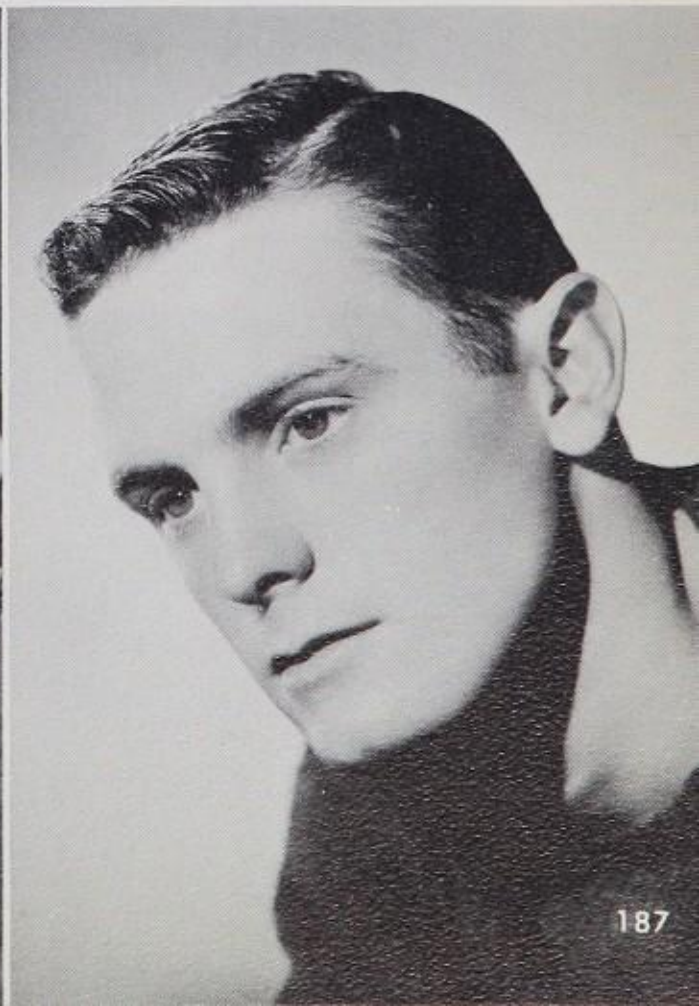
A tense moment when the MacGregor clan learns that Carroll has run away.

Hollywood would have described the sets for the show as super-colossal. At the left, members of the stage crew construct a portion of the fantastic Tahitian setting which included a cascading waterfall. A Grauman's Chinese Theater backdrop and a view of the lights of Los Angeles from Mulholland Drive were other eye catchers. Pete McCoy designed the 12 sets for the show.

Gloria Gershman as the extra who worked at Thrifty's in hopes of being discovered.

Warren Buckner as the producer and a firm believer in keeping things in the family.

Pete McCoy, student producer, set designer, electrician, and actor.



Mr. Kenneth L. Peters, Superintendent of Schools, and Dr. Willard Robinson, Principal, are joined by well wishers at dedication of Beverly's new science building.

Mrs. Florence Thalheimer, President of the School Board, and Mr. Norman Fjeldsted, Science Department Head, cut ribbon at the dedication.

Dr. Joseph Kaplan, Professor of Physics at U.C.L.A. makes the dedication address.

In the Spring the high school awards committee of the American Association of Physics Teachers rated Beverly as one of the top ten science schools in the nation. The judging was based on the school's equipment and plant, professional training and competency of staff, and scholastic achievement by students. As a result of its high ranking, Beverly will receive a piece of equipment valued from $175 to $300, and a certificate of merit from the association. The new $437,000 Science Building was dedicated on March 7, 1960. Guest speaker at the ceremony was Dr. Joseph Kaplan, Professor of Physics at U.C.L.A.

Mr. Glen M. Case

Mrs. Anita Lehman

A FINAL WORD

The first staff assignment for the 1960 Watchtower was to cover the groundbreaking ceremony for the new Science Building in the Spring of 1959. Pictures of the dedication are shown on the opposite page. Feeling that all Seniors want a visual reminder of the beautiful graduation exercises on the front lawn, even if for obvious reasons they can't be their own, our newly elected head photographer was perched in the tower last June to capture the picture shown above.

From the very first meetings which began in August, "color" was the key work of the staff, and "to recapture a school year" its motto. The journalists were soon to learn that the greatest challenge in producing an annual was the ever threatening DEADLINE. They had to learn to write stories about some events long before they had even happened. For example, the four pages given to the Spring Musical were composed and photographed two months before rehearsals started. We could have written a much more interesting and understanding story about Dr. Robinson in April than the Welcoming Salute on page twenty which by necessity had to be sent to the publisher in October.

Shortly before our final deadline we learned of the impending retirement of Mr. Glen M. Case and the change of residence of Mrs. Anita Lehman. We deeply regret we could not include our salute to these two grand and highly respected teachers in the administration section which went to press in November.

Last summer members of the art staff visited the galleries and museums in quest of an inspiration. This activity seemed to pay off for the idea of serigraphs in color for the division pages was evolved, and our budding Picassos were off in a cloud of paint. They journeyed to Immaculate Heart to sit at the feet of Sister Mary Corita, recognized nationally as one of the great serigraph artists of our time. Surely, the afternoon she demonstrated her prowess with the silk screen and brush was a memorable one.

The method by which we imprinted our serigraphs for reproduction by the publisher was an idea solely our own and, as far as we know, has never been used before. We join you, the reader, as you glance through these pages to learn whether our brainstorm was successful. We do know it was time consuming. The Sports Division Page, for example, required eleven different screens and impressions.

To our hardworking photography staff, 1960 will always be the "year of the flu" when so many pictures had to be rescheduled because of absences. Then there was that heartbreaking day in March when it was learned the focal shutter of the camera had slipped, and 108 pictures had to be tossed in the waste basket and be taken again: a full week's shooting down the drain. This will explain the omission of pictures for the Junior-Senior Talent Assembly which unfortunately had occurred that tragic week.

We hope you like the format of our book which is decidedly different from that of any previous Watchtower. We hope our lavish color pages overwhelm you — and who ever heard of cartoons in four colors? We hope you get as many chuckles from our little Norman character and his dragon as the staff did.

Most of all we hope you like the 1960 Watchtower.
